## DIRECTOR-GENERAL OF TELECOMMUNICATIONS

### *Proposed Modification of the Licence of National Transcommunications Limited*

The Director-General of Telecommunications ("the Director"), in accordance with section 12(2) of the Telecommunications Act 1984 ("the Act"), hereby gives notice that he proposes to make modifications to the licence granted to National Transcommunications Limited ("NTL") on 20th December 1990.

The effect of the proposed modification is to set a new price control on the prices charged by NTL for the provision of broadcast transmission services to the ITV companies, Channel 4 and S4C, for the period starting 1st January 1997 to 31st December 2002. Broadly, the new price control states that the combined transmission charged by NTL for all three Companies for the period should not exceed £53.4m. The maximum amount by which this price can be increased will be the increase in the retail price index minus 4 per cent. in each year of the control.

It is also proposed that the scope of the price control be widened to include the additional transmission hours caused by Channel 4's move to 24-hour broadcasting, the cost of Super High Frequency (SHF) and the inter-transmitter links which make up part of the overall transmission service supplied by NTL.

The proposed modifications replace the current price control which expires at the end of 1996. Full details of the proposed changes are set out in OFTEL's Statement: "NTL Price Control for the Period 1997-2002" (September 1996). Copies of the proposed modifications or Statement can be obtained by phoning OFTEL on 0171 634 8876.

The Director is required by section 12(2) of the Act to consider any representations or objections which are duly made and not withdrawn. Following such consideration and the consent of the Licensee to the modifications, the Director proposes to make the modifications forthwith.

Representations or objections to the proposed modifications may be made in writing within 28 days following the date of publication of this notice to Sandy Grom, at the Office of Telecommunications, 50 Ludgate Hill, London EC4M 7JJ (tel. 0171 634 8837).
