## TOWN AND COUNTRY PLANNING ACTS

### LONDON BOROUGH OF TOWER HAMLETS

#### PLANNING (LISTED BUILDINGS AND CONSERVATION) AREAS ACT 1990

##### *Lansbury Conservation Area, London E.14.*

Notice is hereby given that, in accordance with the provision of section 69(2) of the Planning (Listed Buildings and Conservation Areas) Act 1990, which provides that every local planning authority shall from time to time determine which parts of their area are areas of special architectural or historic interest, the character and appearance of which it is desirable to preserve or enhance, and shall designate such areas as "Conservation Areas", the London Borough of Tower Hamlets have designated the area identified below as a conservation area.

A description of the area is as follows:

Lansbury Conservation Area is located on the north side of East India Dock Road, between Stansby Road and Chrisp Street. The boundary runs north at Chrisp Street, turns west along Cordelia Street to its junction with Upper North Street then north to the junction of Upper North Street and Lichfield Street then south along Saracen Street until the junction with Canton Street, where it turns west to meet Stansby Street on the East India Dock Road.

The effect of designation is that special attention should be paid to the desirability of preserving or enhancing the character or appearance of the area designated. In particular, controls are applied regarding the demolition of building (owners are required to apply to the Council for Conservation Area Consent before carrying out works of demolition to any building or part of a building within the areas); control is also imposed in respect of the display of advertisements and the felling, topping and lopping, etc. of trees within the areas. Penalties apply in the event of violations against this control.
