Explanatory Note

The above Notice concerns the first stage of improvements due to be carried out shortly under the Southampton Area Transport Strategy and the City Centre Transport Plan.

During the summer of 1995 public consultation was undertaken to explain proposals for making the city centre more attractive and useable for all groups, particularly pedestrians, bus users, people with restricted mobility and visual impairment and cyclists.

Works would be spread over 3-4 years as funding is made available and would involve the widening of pavements, giving buses priority and restricting access to private vehicles (including those that service premises from the front) between certain times. The first stage of these improvements includes the following:

Traffic Restrictions: only buses, taxis, vehicles displaying an orange disabled badge or permit and pedal cycles would be permitted between 8 a.m. and 6 p.m., Mondays to Saturdays in the following locations: Above Bar Street between New Road and Pound Tree Road and Pound Tree Road between Above Bar Street and Sussex Road.

Vehicle Movement: Ogle Road to be two-way, Portland Street to be closed at Above Bar Street end, remainder to be two-way; prevention of all southbound motor vehicles except buses from turning right from Above Bar Street into Civic Centre Road.

On Street Parking Changes: 4 bays on the East side of Above Bar to be for disabled persons; 8 bays on the north side of Ogle Road to be for disabled persons; 4 bays in Sussex Road to be for disabled persons.

Removal of on street Parking in the following locations: Pound Tree Road and south side of Ogle Road.
