ACTS

CAMBRIDGE CITY COUNCIL

PLANNING (LISTED BUILDINGS AND CONSERVATION AREAS) ACT
1990 SECTION 69*The City of Cambridge Conservation Area 1*

Notice is hereby given that the Cambridge City Council on 18th July 1996, decided to make minor amendments to the boundary of the City's Conservation Area 1. These amendments were contained within the draft of "The Kite Conservation Area Appraisal", the final version of which has now been published.

The appraisal examines in detail the special architectural or historic interest of the area and therefore extends the boundary of Conservation Area 1 by including the buildings detailed in the schedule below.

The effect of designation is that special attention should be paid to the desirability of preserving or enhancing the character or appearance of the area designated. In particular, controls are applied regarding the demolition of buildings (owners are required to apply to the council for Conservation Area Consent before carrying out works of demolition to any building or part of a building within the areas); control is also imposed in respect of the display of advertisements and the felling, topping and lopping, etc., of trees within the areas. Penalties apply in the event of violations against this control.
