

with any of the requirements of the Act, he may within 6 weeks of 28th November 1997, apply to the High Court for the suspension or quashing of the Order or of any provision contained therein.

R. D. Chaffey, Roads Administration Division, Welsh Office

SCHEDULE 1
(all distances are approximate)

The lengths of highway to be stopped up and the highways to be provided are situated between Uskmouth and Goldcliff, adjacent to the Severn Estuary, in the county Borough of Newport. They are shown by zebra hatching and stipple marking respectively on the plan attached to the Order and comprise:

Description of the lengths of highway to be stopped up or diverted under this Order

1. That length of highway which extends from its junction with the southern end of Saltmarsh Lane in a general south-westerly direction for a distance of 480 metres (marked H-G on the plan numbered 3).

2. That length of highway known as Public Footpath No. 9 which extends from a point 110 metres south-west of its junction with Goldcliff Road in a general south-westerly direction for a distance of 490 metres (marked J-K on the plan numbered 4).

3. That length of highway known as Public Footpath No. 11 which extends from a point 30 metres south of its junction with Goldcliff Road in a general south-westerly direction for a distance of 900 metres (marked L-M on the plan numbered 5).

Description of the new highway to be provided under this Order

1. A footpath/cycleway which will form a junction with West Nash Road, 500 metres west of Great House, which property is shown on the key plan accompanying the attached plan, and extend in a general westerly direction for a distance of 1,090 metres to the sea bund wall and follow the wall in a general south-easterly direction, for a distance of 2,460 metres to continue in a north-easterly direction for a distance of 510 metres (marked A-B-C-H on the plans numbered 1, 2 and 3).

2. A footpath which will form a junction with Farmfields Lane and extend in a general southerly direction for a distance of 700 metres to form a junction with the new footpath/cycleway described in paragraph 1 above (marked D-E on the plan numbered 3).

3. A footpath (which will provide the diversion for the length of footpath No. 9 to be stopped up) which will extend from a point 110 metres south-west of the junction with footpath No. 9 with Goldcliff Road in a general northerly and then southerly direction for a total distance of 1,340 metres to rejoin footpath No. 9 (marked J-N-K on the plan numbered 4).

4. A footpath (which will provide the diversion for the length of footpath No. 11 to be stopped up) which will extend from a point 30 metres south of the junction of footpath No. 11 with Goldcliff Road in a general south-westerly direction for a distance of 825 metres to rejoin footpath No. 11 (marked L-O-M on the plan numbered 5).

SCHEDULE 2

The construction and maintenance thereafter of a wetlands reserve, including the creation of saline pools, reedbeds and managed grassland and incorporating an integral footpath network. (485)
