OFFICE OF WATER SERVICES

WATER INDUSTRY ACT 1991 SECTION 8(3)

Proposal by the Director General of Water Services to vary the Appointments of (1) Thames Water Utilities Ltd, and Wessex Water Services Ltd, as water and sewerage undertakers and (2) Southern Water Services Ltd, as a sewerage undertaker

Tidworth, including the Garrison, Wiltshire

The proposal

The Director General of Water Services (the Director) proposes

- 1 to vary the Appointments of Thames Water Utilities Ltd (Thames) as both water and sewerage undertaker so that they apply to an area known as Tidworth, including the Garrison, which comprises parts of (1) the water supply and sewerage service areas of Wessex Water Services Ltd (Wessex) and (2) the sewerage service area of Southern Water Services Ltd (Southern).
- 2 to vary the Appointments of Wessex and Southern, by excluding Tidworth from their respective areas of appointment.

At present, the Tidworth area to which this notice refers receives neither water nor sewerage services from any undertaker, because it has its own water and sewage treatment facilities. The water and sewerage systems on the site belong to the Ministry of Defence, although certain pipes have been transferred to Annington Property Ltd. All of these will be transferred to Thames if it becomes the water and the sewerage undertaker following this proposal. (There are some parts of the area which are already served by Wessex. They are not included in this proposal.)

If these variations of Thames' Appointments take effect as the Director proposes, the Ministry of Defence has agreed with Thames that the latter will, from that date, be responsible for the provision of water and sewerage services to Tidworth for the following 20 years. The agreement may be terminated before the 20 years have expired, or Thames may not secure the continuing contract following re-tendering at the end of that period. In either of those cases, Thames' consent would be required to the variation of its Appointments in favour of its successor(s). Therefore, in the interests of certainty, Thames has consented to the variation of its Appointments at the appropriate time, to enable its successor(s) to be appointed. Any termination of that kind will not affect Thames' position as the water and the sewerage undertaker in relation to its water supply and sewerage service areas at the date of publication of this notice.

The Director considers that these proposals will facilitate competition in the supply of water and sewerage services. Thames has indicated that its water and sewerage charges to the non-military customers at Tidworth will not exceed those which would otherwise be charged by Wessex.

The representation of customers' interests

The Director has appointed 10 Customer Service Committees (CSCs). These Committees have responsibilities for the representation of the interests of customers of those water and sewerage companies which are allocated to each of them. Thames'

customers are served by the Thames CSC, which is based in London. Wessex's customers are served by the Wessex CSC, based in Bristol.

If Thames does become the water and the sewerage undertaker for Tidworth as described above, the Director has provisionally concluded that the interests of its new customers there should be represented by Wessex CSC. However, he will review the matter in the light of responses to this notice.

Any representation about, or objection to the proposal, or about the representation of customers, should be sent in writing to Beryl Brown, Head of Competition Policy, Office of Water Services, Centre City Tower, 7 Hill Street, Birmingham B5 4UA (Fax 0121 625 1379) so as to be received not later than 5 p.m. on Friday, 17th July 1998 (828)
