CAMBRIDGE CITY COUNCIL

PLANNING (LISTED BUILDINGS AND CONSERVATION AREAS) ACT 1990, SECTION 69

The City of Cambridge

Trumpington Conservation Area

Notice is hereby given that the Cambridge City Council on 9th June 1997, decided to make amendments to the boundary of The City of Cambridge Trumpington Conservation Area. These amendments were contained within the draft of the "Trumpington Conservation Area Appraisal", the final version of which will be published shortly.

This appraisal examines in detail the special architectural or historic interest of the area and therefore extends the boundary of Trumpington Conservation Area by including the land and buildings detailed in the schedule below.

The effect of designation is that special attention should be paid to the desirability of preserving or enhancing the character or appearance of the area designated. In particular, controls are applied regarding the demolition of buildings (owners are required to apply

to the Council for Conservation Area Consent before carrying out works of demolition to any building within the area); control is also imposed in respect of the display of advertisements and the felling, topping and lopping etc., of trees within the area. Penalties apply in the event of violations against this control.

SCHEDULE

Trumpington Conservation Area

The following is added to the previous boundary of Trumpington Conservation Area:

The Land and Buildings to the west Scotsdowne Road as shown hatched black on the plan.

A copy of this notice and the plan may be seen, free of charge, Monday to Friday, 9 a.m. to 5 p.m. at Cambridge City Council, Planning Department, The Guildhall (Second Floor Reception). Copies of this notice and plan may be bought there at the price of £2.50.
