### WEALDEN DISTRICT COUNCIL

#### PLANNING (LISTED BUILDINGS AND CONSERVATION AREAS) ACT 1990

##### *Designation of Conservation Area*

Notice is hereby given that in accordance with the provisions of section 69 of the Planning (Listed Buildings and Conservation Areas) Act 1990 (the 1990 Act) Wealden District Council has by a resolution passed on 16th June 1998 designated the town centre of Uckfield as referred to in Schedule 1 hereto as a Conservation Area.

This designation replaces the earlier designated Conservation Area which is hereby cancelled. The special architectural or historic interest of the Area the character or appearance of which it is desirable to preserve or enhance is set out in the Designation Report published by Wealden District Council.

The main effects of designation are as follows:

- Consent is necessary from Wealden District Council as Local Planning Authority to totally or partially demolish any building gate fence wall or other means of enclosure within a Conservation Area subject to certain exceptions.
- Applications for planning permission for development which would in the opinion of the Local Planning Authority affect the character or appearance of a Conservation Area must be advertised in accordance with section 73 of the 1990 Act.
- In addition section 211 of the Town and Country Planning Act 1990 requires that at least 6 weeks notice is given to the Local Planning Authority of an intention to carry out work on any tree (other than a tree which is already subject of a Tree Preservation Order) in a Conservation Area subject to certain exceptions.

Full details of the scope of the above mentioned exceptions may be obtained from the Planning Department of Wealden District Council.

A plan defining the precise boundary of the Conservation Area together with the Designation Report is available for inspection at the District Council Offices Pine Grove Crowborough during normal office hours.
