SCHEDULE

Boundary of the Stockton-on-the Forest Conservation Area

The Conservation Area is centred upon the historic core of the village, from which more recent suburban expansion has spread outwards. Commencing at a point which forms the south-western boundary of the Conservation Area, where it crosses the main street called The Village, the boundary runs as follows. From The Village, the south-western boundary includes Aspen House and its garden and paddock, together with a small area of the approach to the Golf Clubhouse, to the rear of No 53 The Village. The boundary continues such that its north-westward extremity encompasses the whole of the Stockton Hall Hospital buildings and the grounds of the Hospital, then turning south-eastwards to include the Walled Garden and a strip of woodland within the hospital grounds, which adjoin the golf course at this point.

The north-western boundary then includes De Mauley Place and all the properties from No 69 The Village through to No 101 The Village together with the rear outbuildings, paddocks and gardens associated with these properties, extending to the point where their respective rear curtilage boundaries meet the open fields beyond. The boundary includes part of the drive and frontage of the Primary School site, for a distance of approximately 170 metres back from the street frontage, but does not include the school buildings or the caretaker's dwelling. At No 103 The Village, the boundary comes closer in towards The Village, including the frontage property itself but not the commercial buildings to the rear, nor the Telephone Exchange. At No 105 The Village the boundary then returns further from the street frontage, at a distance of approximately 140 metres, to include the rear outbuildings and curtilages of No 105 to No 111 The Village. At this point the boundary follows the side boundary of No 111 The Village to meet the street. The north-eastern tip of the Conservation Area then extends along The Village to include The Gables and adjoining cottage and Swann's Blacksmith's Garage.

The boundary then returns along the rear of No 108 and No 102 The Village as the commencement of the south-eastern boundary of the Conservation Area. The boundary continues where the rear of No 98-100 and No 96 The Village meet O S Field Nos 9209 and 9006 respectively. The boundary then follows the rear curtilages of No 94 to No 84 The Village, including the outbuildings and paddocks to the rear of these properties. The boundary continues to include a track that runs along the rear of Holy Trinity Churchyard, and the properties of No 82.5 to No 76 The Village, together with Trinity Meadows, farm buildings to the rear of No 78 The Village and Stockton Grange.

The south-eastern boundary then returns towards The Village street frontage, to include No 61 to No 64 Stone Riggs and No 12 to No 14 Stone Riggs, together with the houses forming No 74 to No 54 The Village.
