APPOINTMENT OF ROYAL COMMISSION

ROYAL COMMISSION ON ENVIRONMENTAL POLLUTION,
STUDY OF ENERGY AND THE ENVIRONMENT

INVITATION TO SUBMIT EVIDENCE

In August 1997 the Royal Commission on Environmental Pollution announced its intention to review energy prospects for the 21st century and their environmental implications. The aim of this study is to identify the actions required in the years immediately ahead in order to develop a sustainable strategy for energy provision and use. The Royal Commission is grateful to all those who responded subsequently to its invitation to draw relevant analyses and work in progress to its attention. On the basis of preparatory work, including analysis of this material and information contained in reports by consultants which it commissioned, the Royal Commission has defined specific issues on which it is going to focus.

There is now an international commitment, based on a broad consensus among scientists, that action must be taken to avoid dangerous modification to the world's climate by limiting carbon dioxide emissions from burning fossil fuels. This, and other environmental impacts of energy systems, have created strong pressures for radical changes in the way energy is obtained and used. Most commentators agree there needs to be a considerable reduction in the use of fossil fuels as an energy source in the UK, and some have suggested their use should be phased out by the middle of the next century.

The Royal Commission believes that, to provide the necessary perspective for future energy policy, the implications of changes on that scale need to be elucidated and assessed. It is therefore seeking views on issues relevant to this. The full list of these issues and other relevant information can be viewed via the energy section of the Commission's web site at <http://www.rcep.org.uk/energy.html>. Or they can be obtained from the Commission by contacting Cathy Garretty at the Royal Commission on Environmental Pollution, Steel House, 11 Tothill Street, London SW1H 9RE, telephone No 0171 273 6639. Responses should reach Cathy Garretty at the same address by Monday 30th November 1998.

It would be appreciated if, where possible, in addition to hard copy, evidence could also be submitted in electronic format, on a 3 1/2" floppy disc for PC, saved as either WordPerfect 6.1 (or a lower version), Word 6 (or lower version) or ASCII text.

Unless indicated otherwise when evidence is submitted, it will be assumed that the organisation or individual submitting it does not have any objection to its disclosure to other parties should the Commission so decide. (1 SI)

Notice is hereby given that the Council of the London Borough of Sutton made the above-named experimental traffic Order on Monday, 5th October 1998, under sections 9, 10 and 124 of the Road Traffic Regulation Act 1984, as amended by the Local Government

Act 1985, and the Road Traffic Act 1991. The Order comes into effect on Monday, 19th October 1998, and can remain in force for up to 11 months.

2 The principle objective of the Order is to amend the Priority (Red) Route controls in Wilmot Road, Sutton, in order to prevent obstructive parking. The new controls will be introduced on an experimental basis to allow for minor amendments to be made in the light of operational experience. The Council will be considering making a permanent Order in like terms in due course.

3 The general effect of the Order will be to

- (i) introduce double red lines across a vehicular crossover in Wilmot Road to protect the access from obstructing vehicles, and
- (ii) amend the location of the limited waiting parking and loading controls within Wilmot Road so as to optimise the carriageway space available to delivery vehicles.

4 While the Order is in force the Council may modify or suspend the Order or any of its provisions if it appears essential to do so for certain purposes.

5 In due course the Council will be considering whether or not the provisions of the Order should be continued in force indefinitely. Within the period of 6 months from the coming into force of the Order, or if the Order is subsequently varied by another Order or modified, from the coming into force of that variation or modification (whichever is the latest), any person may object to the making of an Order to continue indefinitely those provisions. Any such objection must be made in writing, giving the grounds on which it was made, and sent to the Head of Planning and Transportation, London Borough of Sutton, Environmental Services Department, 24 Denmark Road, Carshalton, Surrey SM5 2JG. Any objection may be communicated to other persons who may be affected.

6 A copy of the Order, a plan indicating the location and effect of the restrictions, the Council's statement of reasons for making the Order and for proceeding by way of experiment, and copies of Orders revoked, suspended or varied by the Order may be examined at Civic Offices, St Nicholas Way, Sutton, Monday to Friday 9 a.m. to 5 p.m., and Environmental Services, 24 Denmark Road, Carshalton, Monday to Friday 9 a.m. to 5 p.m.

7 The documents will be available for inspection during the period within which objections can be made in accordance with paragraph 5 above.

8 If any person wishes to question the validity of the Order or of any of its provisions on the grounds that it or they are not within the powers conferred by the Road Traffic Regulation Act 1984, or that any requirement of that Act or of any Instrument made under that Act has not been complied with, that person may, within 6 weeks from the date on which the Order is made, apply for the purpose to the High Court.
