TOWN AND COUNTRY PLANNING ACT 1990 (AS AMENDED)

Notice is hereby given that the Council of the London Borough of Lambeth, in pursuance of powers under section 70 of the Planning (Listed Buildings and Conservation Areas) Act 1990 (as amended), made the following designations of new or extended Conservation Areas within the London Borough of Lambeth on 12th October 1998

- (i) The new *Poets Corner Conservation Area* (C A No 52) SE24— which includes Chaucer Road (Nos 1-9, 27-67 and 2-70), Spenser Road (Nos 1-55 and 2-64), Shakespeare Road (Nos 3-71 and 2-72), Milton Road (Nos 1-65 and 2-70), Railton Road (Nos 94-106) and Dulwich Road (Nos 3-69 odds)
- (ii) An extension to the *South Bank Conservation Area* (C A No 38) SE1 to include Bernie Spain Gardens (north of Upper Ground) and the River Thames directly in front of the gardens up to the borough boundary with Southwark and the City of London)

The objective of designation is to preserve or enhance the character or appearance of areas of special architectural or historic interest, as distinct from individual buildings, to control developments in such areas and to stimulate and encourage measures to improve the environment. The primary effects of conservation area status are that the demolition of certain buildings is brought within conservation area control and consent must first be sought from the planning authority, that it becomes an offence to cut down, lop or carry out any other works to certain trees within the area without proper consent from the planning authority, and that planning applications for development which, in the opinion of the planning authority, would affect the character or appearance of the conservation area, must be advertised. A plan showing the areas subject to these designations is available for public inspection at the Town Planning Advice Centre, Acre House, 10 Acre Lane, Brixton, London SW2 5SG (opening hours 9 30 a m to 4 30 p m) (526)

Notice is hereby given that the proposals for the alteration of the above plan, made available for inspection by West Wiltshire District Council at the District Council Offices, Bradley Road, Trowbridge, and the Bradford-on-Avon, Melksham, Trowbridge, Westbury and Warminster libraries and the mobile library, include policies which were, in the opinion of the authority, previously contained in a local plan for the area. The person holding any local inquiry or hearing need not allow a person who objects to a policy identified as an existing policy to appear at the inquiry or hearing if he is satisfied that the policy identified is an existing policy, and that there has been no significant change in circumstances affecting the existing policy since it first formed part of the local plan. Where an objection has been duly made, it will be considered by the person holding the inquiry or hearing, whether or not the relevant objector has appeared at the inquiry or hearing.

MISCELLANEOUS PUBLIC NOTICES

NORTH YORKSHIRE COUNTY COUNCIL

ENVIRONMENT ACT 1995 REVIEW OF MINERAL SITES

Notice under Paragraphs 4 and 5 of Schedule 13 to the Environment Act 1995

I give notice that the North Yorkshire County Council have prepared a list of Active Phase II sites in their area

A site is only included in the list if

- (a) the land has the benefit of a planning permission or permissions (other than an "old mining permission", as defined in section 22 of the Planning and Compensation Act 1991, or

permission granted by General Development Order) for development consisting of the winning and working of minerals or involving the depositing of mineral waste, and

- (b) the permission(s) relating to the greater part of that land were granted after 31st March 1969 and before 22nd February 1982

The list classifies each such site as an "Active Phase II site"

A copy of the list may be inspected at North Yorkshire County Council, Environmental Services, County Hall, Northallerton, Hambleton District Council, Civic Centre, Stone Cross, Northallerton, Richmondshire District Council, Springwell House, Richmond, Ryedale District Council, Ryedale House, Malton, Scarborough Borough Council, Town Hall, Scarborough, Craven District Council, Council Offices, Granville Street, Skipton, Harrogate Borough Council, Planning Department, Knapping Mount, West Grove Road, Harrogate, Selby District Council, Civic Centre, Portholme Road, Selby, during normal office hours

Where a site is classified as "Active Phase II", the list specifies a date by which owners of the land, or persons with an interest in the minerals, to which the planning permissions relate must apply to the Council for the determination of new planning conditions. If no application is made by that date (or any postponed date which the Council may approve), all planning permissions for development consisting of the winning and working of minerals or depositing of mineral waste relating to that site will cease to have effect except insofar as they impose any restoration of aftercare condition

The Council have served notice on every person known to them to be owners of the land, or having an interest in the minerals, to which the planning permissions relate in respect of each site. Where they have been unable to identify owners they have posted a copy of the notice on the land

Any owner of the land, or person with an interest in the minerals, to which the planning permissions relate may apply to the Council for postponement of the specified date on the grounds that the existing planning conditions are satisfactory. Applications for postponement must be made by 16th January 1999

R Daly, Head of Legal Services, on behalf of North Yorkshire County Council

"Owners" means a person having a freehold interest or a leasehold interest, the unexpired term of which is not less than seven years

"Person with an interest in minerals" means any person with an interest in minerals to which the planning permission relates
