NORTH YORKSHIRE COUNTY COUNCIL

ENVIRONMENT ACT 1995 REVIEW OF MINERAL SITES

Notice under paragraphs 4 and 5 of Schedule 13 to the Environment Act 1995

I give notice that the North Yorkshire County Council have prepared a list of Active Phase II sites in their area

A site is only included in the list if

- (a) the land has the benefit of a planning permission or permissions (other than an "old mining permission", as defined in section 22 of the Planning and Compensation Act 1991, or permission

granted by General Development Order) for development consisting of the winning and working of minerals or involving the depositing of mineral waste, and

- (b) the permission relating to the greater part of that land were granted after 31st March 1969 and before 22nd February 1982

The list classifies each such site as an "Active Phase II site"

A copy of the list may be inspected at

North Yorkshire County Council, Environmental Services, County Hall, Northallerton,

Hambleton District Council, Civic Centre, Stone Cross, Northallerton,

Richmondshire District Council, Springwell House, Richmond,

Ryedale District Council, Ryedale House, Malton,

Scarborough Borough Council, Town Hall, Scarborough;

Craven District Council, Council Offices, Granville Street, Skipton,

Harrogate Borough Council, Planning Department, Knapping Mount, West Grove Road, Harrogate,

Selby District Council, Civic Centre, Portholme Road, Selby,

during normal office hours

Where a site is classified as "Active Phase II", the list specifies a date by which owners of the land, or persons with an interest in the minerals, to which the planning permissions relate must apply to the Council for the determination of new planning conditions. If no application is made by that date (or any postponed date which the Council may approve), all planning permissions for development consisting of the winning and working of minerals or depositing of mineral waste relating to that site will cease to have effect except insofar as they impose any restoration of aftercare condition

The Council have served notice on every person known to them to be owners of the land, or having an interest in the minerals, to which the planning permissions relate in respect of each site. Where they have been unable to identify owners they have posted a copy of the notice on the land

Any owner of the land, or person with an interest in the minerals, to which the planning permissions relate may apply to the Council for postponement of the specified date on the grounds that the existing planning conditions are satisfactory. Applications for postponement must be made by 16th January 1999

"Owner" means a person having a freehold interest or a leasehold interest, the unexpired term of which is not less than seven years

"Person with an interest in minerals" means any person with an interest in minerals to which the planning permission relates

THE INSURANCE COMPANIES ACT 1982

EAGLE STAR REINSURANCE COMPANY LIMITED

Transfer of General Business

Notice is hereby given that Eagle Star Reinsurance Company Limited ("Eagle Star Re") applied to the Treasury on 21st October 1998 for their approval, pursuant to Part II of Schedule 2C to the Insurance Companies Act 1982, to transfer to Eagle Star Insurance Company Limited all its rights and obligations attaching to all policies of insurance and reinsurance where the risk attached on or prior to 31st December 1992 and which were either written by Eagle Star Re under its former name, Liverpool Insurance Society Limited, or were written by Eagle Star Insurance Company Limited and transferred on 1st January 1994 to Eagle Star Re pursuant to section 51 of the Insurance Companies Act 1982 (as then in force) but with the exclusion of the policies

- (a) written as part of the British Aviation Insurance Group pool, or
- (b) in respect of which for the purposes of Part II of Schedule 2C to the Insurance Companies Act 1982, a member State other than the United Kingdom is the member State where the risk is situated and, either the supervisory authority in that member State has not been notified of the proposed transfer, or the supervisory authority in that member State has been notified and has refused its consent to the transfer

The Instrument of Transfer provides that the transfer secures the continuation by or against Eagle Star Insurance Company Limited of any legal proceedings by or against Eagle Star Re that relate to those rights and obligations. Thus, claims currently being dealt with by Eagle Star Re would, after the transfer, be handled by Eagle Star Insurance Company Limited. Future claims arising under the transferred policies would be similarly dealt with.

Written representations concerning the transfer may be sent to the Treasury, Insurance Directorate, 1 Victoria Street, London SW1H 0ET, before 23rd December 1998. The Treasury will not determine the application until after considering any representations made to them before that date.

A copy of the statement setting out the particulars of the proposed transfer is available for inspection at the following offices between the hours of 9.30 a.m. and 5.30 p.m., on any day (other than a Saturday or Sunday or public holiday) until 23rd November 1998:
