The Secretary of State for the Environment, Transport and the Regions hereby gives notice that the length of highway detailed in the Schedule below was first open to public traffic on 20th February 1998

Under Part 1 of the Land Compensation Act 1973 (as amended), there is a right to compensation in respect of any depreciation of more than £50 in the value of certain interests in land caused by the use of new or altered highways and resulting from specified physical factors (noise, vibration, smell, fumes, smoke, artificial lighting and the discharge on to the land of any solid or liquid substance). Compensation is assessed by reference to prices current at a date 12 months after the highway is first open to public traffic or, in the case of an altered highway, first open to public traffic after completion of the alterations

Interests qualifying for compensation are specified in section 2 of the above-mentioned Act and there are special provisions relating to claims by mortgagees and persons entitled under trusts or settlements. However, no compensation can be paid under Part 1 where part of the property has been acquired for the purpose of constructing the highway

Claims should be made within 6 years from this date. However, if an interest is disposed of or (insofar as the interest is in land which is not a dwelling) a tenancy is granted, the claim must be made before such disposal or grant of a tenancy
