Notice of Opening A1(M) Alconbury to Peterborough

The Secretary of State for the Environment, Transport and the Regions hereby gives notice that the length of highway detailed in the Schedule below was first opened to public traffic on 31st October 1998

Under Part I of the Land Compensation Act 1973 (as amended) there is a right to compensation in respect of any depreciation of more than £50 in the value of certain interests in land caused by the use of new or altered highways and resulting from specified physical factors (noise, vibration, smell, fumes, smoke and artificial lighting and the discharge on to the land in respect of which the claim is made of any solid or liquid substance). Compensation is assessed by reference to prices current at a date twelve months after the highway is first open to public traffic after completion of the works

Interests qualifying for compensation are specified in section 2 of the above-mentioned Act and there are special provisions relating to claims by mortgagees and persons entitled under trusts or settlements. However, no compensation can be paid under Part I where part of a property has been acquired for the purpose of constructing the highway

Any persons entitled to a qualifying interest who consider they have a claim under the said provisions may obtain further information and claim forms from the Highways Agency, Lands Branch Heron House, 49-53 Goldington Road, Bedford MK40 3LL

Claims may be made twelve months after the new or altered highway is first open to public traffic, that is on or after 31st October 1999. Claims should be made within six years from this date. However, any person who make a contract within twelve months preceding that date, for disposing of their interest or (insofar as the

interest is in land which is not a dwelling) for granting a tenancy may make a claim within that period and must do so before the interest is disposed of or the tenancy granted. Compensation in such cases will not be payable before the first claim day
