LAND COMPENSATION ACT 1973 (AS AMENDED)

A41 Centennial Park

The Secretary of State for Environment, Transport and the Regions hereby gives notice that the length of highway detailed in the Schedule below was first open to public traffic on 20th February 1998.

Under Part 1 of the Land Compensation Act 1973 (as amended), there is a right to compensation in respect of any depreciation of

more than £50 in the value of certain interests in land caused by the use of new or altered highways and resulting from specified physical factors (noise, vibration, smell, fumes, smoke, artificial lighting and the discharge on to the land of any solid or liquid substance). Compensation is assessed by reference to prices current at a date 12 months after the highway is first open to public traffic or, in the case of an altered highway, first open to public traffic after completion of the alterations.

Interests qualifying for compensation are specified in section 2 of the above-mentioned Act and there are special provisions relating to claims by mortgagees and persons entitled under trusts or settlements. However, no compensation can be paid under Part 1 where part of the property has been acquired for the purpose of constructing the highway.

Any persons with a qualifying interest who consider they have a claim under these provisions may obtain further information and claim forms from P. Baker, Executive Officer, Project Services, Lands Division of the Highways Agency, Federated House, London Road, Dorking, Surrey RH4 1SZ, telephone 01306 878401.

Claims may be made 12 months after the date when the new or altered highway was first open to public traffic, that is on or after 20th February 1999 (the "first claim day"). Claims should be made within 6 years from this date. However, if an interest is disposed of

or (insofar as the interest is in land which is not a dwelling), a tenancy is granted, the claim must be made before such disposal or grant of a tenancy.

J. Wilkinson, a Higher Executive Officer in the Highways Agency

MISCELLANEOUS PUBLIC NOTICES

OFFICE OF WATER SERVICES

WATER INDUSTRY ACT 1991 SECTIONS 13 AND 14

Proposals by the Director General of Water Services for the modification of the conditions of appointment of Wessex Water Services Ltd

The process

Wessex Water Services Ltd (Wessex Water) is a wholly-owned subsidiary of Wessex Water plc (Wessex). Enron Water (Europe) PLC is owned by Enron Corp (Enron). As a condition of the takeover of Wessex Water by Enron Water (Europe) PLC, Enron has agreed to the modification of the conditions of appointment of Wessex Water as a water and a sewerage undertaker.

Any representation about, or objection to, these proposals must be in writing and sent to the Director General of Water Services, Centre City Tower, 7 Hill Street, Birmingham B5 4UA (Fax 0121-6253606) so as to be received by him not later than 5 p.m. on Friday, 4th December 1998. Please quote reference LEG34/4.

EXPLANATION OF THE PROPOSED MODIFICATIONS AND THE REASONS FOR THEM

Maintenance of comparisons with other water and sewerage undertakers

The Director General of Water Services (the Director) believes that the modifications are necessary to enable him to continue to gather information about how Wessex Water carries out its statutory functions and the costs which it incurs, after Wessex becomes part of the Enron Group. The modifications will therefore

- 1 (a) prohibit payment to any Associated Company in respect of any Charging Year, of any amount on account of services received by Wessex Water from that Company which exceeds
 - (i) the prices ascertained from market testing carried out by Wessex Water in accordance with arrangements previously approved by the Director and which have no prejudicial effect on the proper carrying out of Wessex Water's functions, or
 - (ii) if, in the opinion of the Director, market testing is not appropriate, then such proportion of the costs (including a reasonable return) actually incurred by the Associated Company as the Director agrees is appropriate, and
- (b) require Wessex Water to obtain from the Associated Company information required by the Director about the latter's costs

Ring-fencing of the assets of Wessex Water and its ability to act separately from Enron or any intermediate parent company

At the same time, the Director wishes to ensure that Wessex Water's licensed business is ring-fenced from other activities of the Enron Group. Wessex Water must not, whether through its involvement in those other group activities or by its dividend policy, put at risk its ability either to carry out its functions as a water and a sewerage undertaker or to finance them. Further modifications will therefore

- 2 prohibit the transfer of any asset from Wessex Water to any Associated Company except with the Director's consent and in compliance with his requirements concerning the valuation of the asset and its treatment in Wessex Water's accounts,
- 3 prohibit Wessex Water from
 - (i) giving any guarantee of any liability of any company within the Enron Group,
 - (ii) making to any such company any loan,
 - (iii) continuing or assuming any commitment which includes a cross-default obligation (whereby Wessex Water's financial liabilities are increased or accelerated because of default elsewhere within the Enron Group) without the Director's consent, and

4 require that Wessex Water's dividend policy will not, in the opinion of the Director, impair its ability to finance the proper carrying out of its functions

The directors of Wessex Water are already required to certify annually to the Director that the Company has adequate financial and management resources. Further modifications will require

- 5 (i) Wessex Water to inform the Director as soon as its Board becomes aware of any circumstances which causes the Board to believe that its most recent annual certificate of the adequacy of its financial and management resources could not be repeated in the light of those circumstances,
- (ii) that every annual certificate referred to in (i) shall be accompanied by a report prepared by Wessex Water's Auditors and addressed to the Director, stating whether they are aware of any inconsistencies between, on the one hand, that certificate and the statements submitted with it and, on the other hand, any information which they obtained during their work as Wessex Water's Auditors, and
- (iii) that the directors record their opinion that all contracts entered into with any Associated Company include all necessary provisions and requirements concerning the standard of services to be provided to Wessex Water to ensure that it is able to meet all its obligations as a water and sewerage undertaker

Although Wessex Water is, and will continue to be, a subsidiary, it has its own duties as the water and the sewerage undertaker for the areas of those Appointments. The Director considers it important that Wessex Water should, in carrying out those functions, behave as if they were substantially its sole business and it were a separate public limited company. Further modifications will require

6 that Wessex Water shall, at all times, conduct the Appointed Business as if it were substantially Wessex Water's sole business and Wessex Water were a separate public limited company. In doing so, Wessex Water should have particular regard to the following

- (a) the composition of Wessex Water's Board should be such that its Directors, acting as such, act independently of Enron and any intermediate parent Company,
- (b) Wessex Water must ensure that each of its Directors must disclose, to it and to the Director, conflicts between their duties to Wessex Water and other duties,
- (c) where potential conflicts exist between the interests of Wessex Water as a water and a sewerage undertaker and those of other companies in the Enron Group, Wessex Water and its directors must ensure that, in acting as directors of Wessex Water they have regard exclusively to the interests of Wessex Water as a water and a sewerage undertaker,
- (d) no director of Wessex Water should vote on any contract or any arrangement or any other proposal in which he has an interest by virtue of other directorships. This arrangement should be reflected in Wessex Water's Articles of Association,
- (e) Wessex Water should inform the Director without delay when
 - (i) a new director is appointed,
 - (ii) the resignation or removal of a director takes effect, or
 - (iii) any important change in the functions or executive responsibilities of a director occurs

Wessex Water should notify the Director of the effective date of the change and, in the case of an appointment, whether the position is executive or non-executive and the nature of any specific function of responsibility,

- (f) the dividend policy adopted by Wessex Water in the light of proposals 4 (above), and
- (g) the principles of corporate governance which are from time to time recognised by the listing rules of the London Stock Exchange

7 that Wessex Water will publish the annual interim and financial results information which would be required, were it subject to the listing rules of the London Stock Exchange, and

8 that Wessex Water will issue a variable rate bond not later than 31st December 2000 and use all reasonable endeavours to procure its listing on the London Stock Exchange. The variable rate will be linked to Wessex Water's credit rating, according to two London-based independent credit-rating agencies

9 that Wessex Water will use all reasonable endeavours to ensure that its corporate debt retains investment-grade credit rating throughout its life (being a rating awarded by all the reputable credit-rating agencies having comparable standing in the UK and the USA)

The role of Enron as owner of Wessex Water

Wessex Water should have the active co-operation of its owner, Enron, in complying with the conditions of its Appointments and in the proper discharge of its functions as a water and a sewerage undertaker. Further modifications will

10 (a) require Wessex Water to obtain from Enron a legally-enforceable undertaking in Wessex Water's favour and in a form specified by the Director, that it will

- (i) refrain from any action which would be likely to cause Wessex Water to breach any of its obligations under the Water Industry Act 1991 or the conditions of its Appointments as a water and a sewerage undertaker, and
- (ii) ensure that Wessex Water's Board contains at least three independent non-executive directors, being persons of standing who shall collectively have relevant experience, local knowledge and understanding of the interests of Wessex Water's customers

(b) require the terms of that undertaking to apply to all other companies within the Enron Group,

(c) require that the undertaking remain in force for so long as Wessex Water holds its Appointments as a water and a sewerage undertaker (or either of them) and remains a member of the Enron Group, and

(d) require the undertaking to be delivered to the Director not later than 21 days after this modification comes into force,

11 require Wessex Water to

- (i) produce to the Director the original of the undertaking under 9 above and provide him with any certified copies which he requires, and
- (ii) inform the Director immediately in writing, if it becomes aware that the undertaking has ceased to be legally enforceable, or that there has been any breach of its terms, and

12 prohibit Wessex Water (except with the Director's consent) from making any contract with a member of the Enron Group which is not one of Wessex Water's subsidiaries, for so long as the above undertakings have not been given or there is an unremedied breach of any of them (499)
