PUBLIC NOTICES

OFFICE OF WATER SERVICES (LOGO)

WATER INDUSTRY ACT 1991, SECTION 8

Notice of proposal by the Director General of Water Services that Mid Sussex Water plc (Mid Sussex) replace South East Water Ltd (South East) and Mid Southern Water plc (Mid Southern) as the water undertaker for the areas of appointment of South East and Mid Southern

The Process

This notice begins a period of public consultation. Any representations or objections about any of the matters described below should be in writing and sent to the Director General of Water Services, Centre City Tower, 7 Hill Street, Birmingham B5 4UA, (fax 0121-625 3606) to be received not later than 5 p.m. on 30th December 1998. Please quote Ref LEG/34/3/3.

The Proposal—that Mid Sussex should replace South East and Mid Southern as the water undertaker for their respective areas of appointment

South East and Mid Southern are water undertakers. Each holds an appointment for that purpose. Each is controlled by SAUR Water Services plc (SAUR). South East in turn controls three operating subsidiaries: Eastbourne Water plc (Eastbourne), West Kent Water plc (West Kent) and Mid Sussex. These three Companies originally held appointments as water undertakers, but the Director General of Water Services (the Director) appointed South East in their place on 1st April 1994.

The Director considers that, when two or more Appointees are in the same ownership and management control, their separate licences should be replaced by a single one.

At the request of all of the Companies named in this notice, the Director proposes to re-appoint Mid Sussex as the water undertaker for the areas currently served by South East and Mid Southern. If the proposal takes effect, Mid Southern's assets will be transferred to Mid Sussex. However, when South East took over responsibility as water undertaker from Eastbourne, West Kent and Mid Sussex, their assets were not transferred to South East. Therefore, if Mid Sussex is to be once again appointed as a water undertaker in accordance with this proposal, the assets of Eastbourne and West Kent will also need to be transferred to it. To enable that to happen in proper form, it will be necessary temporarily to re-appoint those two Companies in place of South East, but those temporary appointments will terminate when Mid Sussex's appointment takes effect. At the same time the appointment of Mid Southern will also terminate.

The conditions of Mid Sussex's appointment will be the same as those which now apply to South East's appointment.

The Director is preparing to set new price limits for all water and sewerage undertakers in England and Wales, which will take effect on 1st April 2000. SAUR and Mid Sussex have agreed that to facilitate the Director's preparations, they will continue to

provide certain disaggregated information about the undertakings currently conducted by South East and Mid Southern. They have also agreed that, until 31st March 2000 (the end of the current five-year price limit) customers currently served by South East and Mid Southern will be charged on the basis of the separate price limits which the Director set in July 1994 and which took effect on 1st April 1995.

All the Companies have agreed that savings of £580,000 arising from these arrangements will benefit customers through a further downward adjustment to Mid Sussex's price limit for the charging year 2000-01.

The Representation of Customers

The Director is required to allocate customers of each Appointee to one of ten Customer Service Committees (CSCs). The customers of Mid Southern were originally allocated to the Ofwat Thames CSC and those of South East to the Ofwat Southern CSC. However, the Director has already taken account of the fact that these two Companies are under common control and he therefore decided that they should be represented by one of these Committees, the Ofwat Southern CSC. That arrangement will stand if Mid Sussex is appointed in accordance with this proposal. (482)
