ISLE OF WIGHT COUNCIL

PLANNING (LISTED BUILDING AND CONSERVATION AREAS) ACT 1990

Notice of designation of extension to Ventnor Conservation Area

Notice is hereby given, pursuant to section 70 of the Planning (Listed Buildings and Conservation Areas) Act 1990, that the Isle of Wight Council has determined that the areas described in the Schedule to this notice is an area of special architectural or historic interest, the character or appearance of which it is desirable to preserve or enhance and has accordingly designated the said extension to the area, Ventnor Conservation Area

The effect of the designation of a Conservation Area is as follows

(ii) Any person proposing to carry out work to a tree situated within the area which is not already protected by a Tree Preservation Order must give to the Council 6 weeks notice of their intention. This will give the Council the opportunity to make a Tree Preservation Order if necessary

(iii) With certain exceptions, a building in a Conservation Area may not be demolished without the consent of the Council

A map of the extension to the Ventnor Conservation Area may be inspected, during normal office hours, at the offices of the Directorate of Development, Seaclose Offices, Fairlee Road, Newport, Isle of Wight PO30 2QS

- to extend the west most boundary to incorporate the semi-detached Victorian house located at the north of the car park, since it relates to the Victorian property alongside,
