North Wiltshire District Council

PLANNING (LISTED BUILDINGS AND CONSERVATION AREAS) ACT 1990

NOTICE OF DESIGNATION OF A CONSERVATION AREA
CHERHILL CONSERVATION AREA, CHERHILL, WILTSHIRE

Notice is hereby given that North Wiltshire District Council designated the above Conservation Area on 15th September 1998.

A plan of the Cherhill Conservation Area is available for public inspection, free of charge, at the District Council Offices, Development Control Reception, Monkton Park, Chippenham, Wiltshire, at the following times:

8.45 a.m. to 5.15 p.m. Monday to Thursday

8.45 a.m. to 4.45 p.m. Friday

The Cherhill Conservation was first designated in May 1993, encompassing most of the eastern section of Cherhill focused around the Church and Manor. The A4, known as Main Road, which skirts Cherhill to the south, has been an important route for hundreds of years as part of the "Great West Road" from London to Bath and Bristol. It has been important to Cherhill as passing trade brought business to this edge of the village, and all the inns have historically been located along this route. The boundary extension includes verges to the south side of Main Road. The Conservation Area boundary now also includes a further section of The Street to the west and covers most of the original built up part of the village. The layout can be identified on the oldest available map of 1773. An area of pasture to the east of Park Lane, is now omitted from the Conservation Area.

The principle objective of designation is to preserve and enhance the character and appearance of this area.

Designation provides control over demolition, and anyone wishing to demolish any building or structure, or part of any building or structure, must first apply for Conservation Area Consent to the local planning authority. Further controls require anyone proposing to carry out work to trees within the Conservation Area, which are not already protected by a Tree Preservation Order, to give the local planning authority six weeks notice of their intention.

Designation also requires the local authority to publish an advertisement in the local newspaper and display a notice on or near the site in the case of every planning application which the authority consider would affect the character of appearance of the Conservation Area or the setting of a Listed Building. The application will not be determined for 21 days, after the notice is first displayed, during which time representations relating to any such application may be made to the Council. In determining the application the local planning authority shall take into account the representation made.

NOTICE OF DESIGNATION OF A CONSERVATION AREA
CORSHAM, CONSERVATION AREA, CORSHAM, WILTSHIRE

Notice is hereby given that North Wiltshire District Council designated the above Conservation Area on 15th September 1998.

A plan of the Corsham Conservation Area is available for public inspection, free of charge, at the District Council Offices, Development Control Reception, Monkton Park, Chippenham, Wiltshire, at the following times:

8.45 a.m. to 5.15 p.m. Monday to Thursday

8.45 a.m. to 4.45 p.m. Friday

The Corsham Conservation Area boundary was first designated in December 1970, and was reviewed and the boundary altered in January 1989 and again in March 1991. Further to recent Conservation Area Appraisal research the Conservation Area boundary has been altered to include part of Pickwick Road, an area at Pound Pill, and a small area of land adjacent to the A4 within the Listed Corsham Park. Pickwick Road is an ancient route, and was an established residential area by 1886, consisting mainly of stone built detached villas. Alexander Terrace and Paul Street were also established by this time. These areas demonstrate a distinctly Victorian character, acknowledging a period in the history of the town as a result of the stone industry. Pound Pill lies to the south of the town, and was once an isolated hamlet on the old coaching road. It is formed by several clusters of attractive, mainly listed houses with a rural edge to one side.

The principle objective of designation is to preserve and enhance the character and appearance of this area

Designation provides control over demolition, and anyone wishing to demolish any building or structure, or part of any building or structure, must first apply for Conservation Area Consent to the local planning authority. NOTICE OF DESIGNATION OF A CONSERVATION AREA ALLINGTON CONSERVATION AREA, CHIPPENHAM, WILTSHIRE

Notice is hereby given that North Wiltshire District Council designated the above Conservation Area on 15th September 1998.

A plan of the Allington Conservation Area is available for public inspection, free of charge, at the District Council Offices, Development Control Reception, Monkton Park, Chippenham, Wiltshire, at the following times:

8.45 a.m. to 5.15 p.m. Monday to Thursday

8.45 a.m. to 4.45 p.m. Friday

Allington remains a small village, linear in form, along a narrow winding rural lane running northwards from the A420. The buildings consist mainly of detached, larger dwellings among the farmsteads. There are 14 listed buildings in Allington, of these Bolehyde Manor is Listed Grade II. The core of Allington village, although quite dispersed, retains a cohesive sense of historic and architectural character which it is desirable to preserve and enhance.

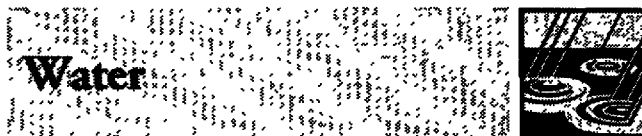

A Romano-British farmstead dated before 200 AD has been excavated on land at Allington's Manor Farm, and the village is mentioned in the Domesday Book of 1086. The area to the south-east of Allington is designated as an area of Special Archaeological Significance in the North Wiltshire Local Plan where cropmarks illustrate a possible Iron Age/Roman British settlement area.

The principle objective of designation is to preserve and enhance the character and appearance of this area.

Designation provides control over demolition, and anyone wishing to demolish any building or structure, or part of any building or structure, must first apply for Conservation Area Consent to the local planning authority. Further controls require anyone proposing to carry out work to trees within the Conservation Area, which are not already protected by a Tree Preservation Order, to give the local planning authority six weeks notice of their intention.

The application will not be determined for 21 days, after the notice is first displayed, during which time representations relating to any such application may be made to the Council.
