TOWN AND COUNTRY PLANNING ACT 1990

The Secretary of State for the Environment, Transport and the Regions hereby gives notice that he proposes to make an Order under section 247 of the above Act, which will authorise the stopping-up of an area of highway at King Street, Maidenhead, in the Royal Borough of Windsor and Maidenhead

The proposed Order will not be made unless planning permission for the development described in the Schedule to this notice is granted, and in that event the stopping-up will be authorised only in order to enable the development to be carried out in accordance with that planning permission. Planning permission for that development was applied for to the Royal Borough of Windsor and Maidenhead by Fookes Partnership on behalf of Castlemore Securities Limited, on 24th August 1998, under application number 98/33076

The proposed Order is one of three that are being proposed to enable the planning application mentioned above to proceed. The other two draft Orders have references GOSE/029/001/BERK/021 and GOSE/029/001/BERK/022

Copies of the draft Order and relevant plan may be inspected at all reasonable hours during the 28 days commencing on 16th March 1999, at the offices of The Town Hall, St Ives Road, Maidenhead, Berkshire SL6 1RF, and may be obtained, free of charge, from the Head of Transport (West) Government Office for the South East, (quoting Ref GOSE/029/001/BERK/023) at the address below

During the above-mentioned period of 28 days anyone may object to the making of the Order by writing to the Secretary of State, quoting Ref GOSE/029/001/BERK/023 and addressing their objection to the Head of Transport (West), Government Office for the South East, Second Floor, Bridge House, 1 Walnut Tree Close, Guildford GU1 4GA. In the preparation of an objection it should be borne in mind that the substance of any objection may be communicated to the applicant and other people who may be affected by it

General enquiries relating to this notice may be made in writing to Richard Beavis at the Government Office for the South East at the address stated above or by telephoning 01488 882414

Please note that formal objections will not be valid unless made in writing

This notice is given by virtue of section 253 of the above Act

This notice is being republished in *The London Gazette* owing to an error in the previous application, where Broadway was inserted in place of "King Street"

HIGHWAY AT MORAR CLOSE AND DAVENPORT DRIVE, CASTLE VALE, BIRMINGHAM READVERTISEMENT

The Secretary of State for the Environment, Transport and the Regions, hereby gives notice that he proposes to make an Order under section 247 of the above Act to authorise the stopping-up of areas of highway at Morar Close and Davenport Drive, Castle Vale

If the Order is made, the stopping-up will be authorised only in order to enable the development described in the Schedule to this notice to be carried out in accordance with the planning permission granted by Birmingham City Council, on 21st May 1998, under Ref N/05117/97/FUL.)

The proposed Order will require an improvement of areas of highway to Morar Close and Davenport Drive, and the provision of new highways maintainable at the public expense for which Birmingham City Council will be the local highway authority

The proposed Order will provide that the stopping-up must not be carried out until the developer has provided new highways and those highways shall be maintainable at the public expense for which Birmingham City Council will be the local highway authority

Copies of the draft Order and relevant plan may be inspected at all reasonable hours during 28 days commencing on 16th March 1999, at the offices of the Castle Vale Housing Action Trust, Farnborough Road Castle Vale, Birmingham B35 7NL, and may be obtained, free of charge, from the Government Office for the West Midlands (quoting Ref 5104/35/1/128) at the address stated below

Any person may object to the making of the proposed Order within the period of 28 days commencing on 16th March 1999 by notice to the Secretary of State for the Environment, Transport and the Regions, quoting the above Reference, at the Government Office for the West Midlands, Planning, Transport and Environment, 77 Paradise Circus, Queensway, Birmingham B1 2DT

In preparing an objection it should be borne in mind that the substance of it may be imparted to other persons who may be affected by it and that those persons may wish to communicate with the objector about it

IMPORTATION OF ANIMALS ORDER 1977 (ARTICLE 3(2))

THE ANIMALS (POST-IMPORT CONTROL) ORDER 1995

ENGLAND GENERAL IMPORT LICENCE NO L/99/1

The Minister of Agriculture, Fisheries and Food, by this licence issued under Article 3(2) of the Importation of Animals Order 1977, hereby authorises the landing in England, in accordance with the conditions set out below.

Pigs for immediate slaughter originating in Northern Ireland

This licence is valid for imports from the date of issue until varied or revoked by the Minister.

England General Import Licence No L/93/3, dated 18th June 1993, is hereby revoked.

CONDITIONS

1 All landings of pigs shall be in accordance with the provisions of the Importation of Animals Order 1977, with the requirements set out in Commission Decision 93/24/EEC relating to Aujeszky's disease, the requirements of Article 3 of The Animals (Post-Import Control) Order 1995, and the requirements of The Welfare of Animals (Transport) Order 1997.

2 Shipment must be direct from Northern Ireland to and EC licensed slaughterhouse in Great Britain.

3 A "consignment" is defined as a group of animals of the same species, travelling in the same vehicle or container, from a single consignor to a single consignee at a single destination. The animals must all be of the same health status.

NOTE Pigs loaded into a trailer drawn by a livestock vehicle (from a single consignor to a single consignee at a single destination) may count

as one consignment provided that an official seal is applied by an officer of the Department of Agriculture, Northern Ireland (DANI) to the connecting linkage between the vehicle and the trailer in such a way that they may not be separated without breaking the seal

4 Each consignment of pigs shall be accompanied by an original health certificate, showing the marks determined by the competent authority identifying the holding of origin of each pig in accordance with Directive 92/102/EEC. The certificate must be signed by a duly authorised veterinary officer of DANI and must contain a description of the animals, giving for each pig the breed, age, sex, herd mark and unique individual mark stating that

(a) each pig bears a number unique to each individual and a permanent official mark including the country ISO code, identifying the holding of origin,

(b) *Aujeszky's disease* is notifiable in the territory in which the pigs have been born and in the territory from which they now originate,

(c) the pigs originate from herds in which no clinical, pathological or serological evidence of *Aujeszky's disease* has been recorded for the past 3 months,

(d) according to the farm Movement Records and a Declaration from the owner, the pigs have remained on the holding of origin of the previous 60 days or since birth, and they have not been on a holding where waste food (food containing products of animal origin but excluding meal manufactured from animal protein) has been kept within the previous 3 months,

(e) if the pigs have been vaccinated against *Aujeszky's disease*, no vaccine other than a *gl*-deleted vaccine was used,

(f) the animals were subjected to a clinical inspection by a veterinary surgeon within 24 hours of loading, showed no clinical signs of disease and were fit to travel,

(g) the pigs are not animals which are to be destroyed under a programme to control or eradicate contagious or infectious disease,

(h) the pigs are not obtained from a holding or an assembly centre in an area subject to restrictions as regards swine for animal health reasons.

5 A message in the format laid down by Council Directive 90/425/EEC must be sent electronically on the day of signing, from the local veterinary unit of DANI for the premises of origin to the Divisional Veterinary Manager (DVM) of the Ministry of Agriculture, Fisheries and Food, for the destination premises in Great Britain.

6 The certificate must state

(a) EITHER that the pigs are exported directly from the holding of origin,

(b) OR that the pigs were transported from a market or assembly centre, approved by DANI, for the export of swine in accordance with the following conditions

(i) the assembly centre is supervised and controlled by sufficient whole time veterinary officers of DANI to ensure the following

(ii) the premises are cleansed and then disinfected immediately before use, using a disinfectant approved by DANI at a concentration similar to that recommended against Fowl Pest,

(iii) only pigs which are identified as specified at paragraph 4(a) above and accompanied from their holding of origin by veterinary certification in accordance with paragraph 4 are admitted to the assembly centre premises,

(iv) at no time between leaving the holding of origin and arriving at the approved assembly centre, have the swine come into contact with cloven-hoofed animals other than animals that have the same health status,

(v) the certificate referred-to at (iii) above must state that according to a Declaration received from the owner, the pigs moved from their premises of origin to the assembly centre in containers/road/rail vehicles which had been thoroughly cleansed and disinfected immediately before the pigs were loaded, using a disinfectant approved for the purpose by DANI at a concentration similar to that recommended against Fowl Pest and while in transit, did not come into contact with animals not similarly certified,

(vi) the animal accommodations of all livestock vehicles/trailers entering the assembly centre must be cleansed and disinfected on the premises (using an approved disinfectant at a concentration similar to that recommended against Fowl Pest) and before leaving the premises for any purpose and if necessary, any animals in the vehicle are unloaded so that the accommodation may be cleansed and disinfected,

(vii) the health inspection for the issuing of a health certificate for the consignment of animals from the assembly centre to Great Britain must be carried-out at the assembly centre,

(viii) when a single consignment is loaded for export into a livestock trailer drawn by a vehicle also containing animals of the same consignment, an officer of DANI must apply an official seal to the connecting linkage between livestock vehicle and the trailer in such a way that they may not be separated without breaking the seal and the number of this seal must be given in the health certificate and in the electronic message referred-to at paragraph 5

7 The certificate must state that according to a Declaration received from the exporter, the pigs will be moved from their premises of origin/the assembly centre directly to the slaughterhouse of destination named in the accompanying health certification, in containers/road/rail vehicles which had been thoroughly cleansed and disinfected beforehand with a disinfectant approved for the purpose by DANI and while in transit, will not come into contact with animals not similarly certified

8 The importer must not allow the pigs to come into contact with pigs which are not part of the same consignment, they must be transported directly to the slaughterhouse of destination named in the accompanying health certification, be slaughtered there within 72 hours and the importer must provide to the slaughterhouse operator, such details as are required to enable him to comply with *The Animals (Post-Import Control) Order 1995*, regarding the keeping of records

9 (a) Importers must ensure that the Divisional Veterinary Manager responsible for the area in which the slaughterhouse is situated and the Official Veterinary Surgeon responsible for the slaughterhouse are both notified of the proposed import at least 24 hours before the expected time of arrival,

(b) the importer must ensure that vehicles/containers used to carry the pigs are thoroughly cleansed and disinfected with an approved disinfectant at a concentration similar to that used against Fowl Pest, before leaving the slaughterhouse premises,

(c) in the event of the consignment being delayed or postponed the importer must advise the Animal Health Divisional Office responsible for the destination slaughterhouse

7 The certificate must state that according to a Declaration received from the exporter, the pigs will be moved from their premises of origin/the assembly centre directly to the destination named in the accompanying health certification, in containers/road/rail vehicles which had been thoroughly cleansed and disinfected beforehand with a disinfectant approved for the purpose by DANI and while in transit, will not come into contact with animals not similarly certified

8 The importer must not allow the pigs to come into contact with pigs which are not part of the same consignment, they must be transported directly to the destination named in the accompanying health certification

9 (a) Importers must ensure that the Divisional Veterinary Manager responsible for the area in which the destination premises is situated, is notified of the proposed import at least 24 hours before the expected time of arrival,

(b) the importer must ensure that vehicles/containers used to carry the pigs are thoroughly cleansed and disinfected with an approved disinfectant at a concentration similar to that used against Fowl Pest, before leaving the destination premises,

(c) in the event of the consignment being delayed or postponed the importer must advise the Animal Health Office Divisional Veterinary Manager

10 The importer shall ensure that, after arrival of the imported pigs, the animals are made available for post import check testing if required, and in any event, pigs under 4 months of age on import must be tested using the whole virus ELISA test for Aujeszky's disease after they reach the age of 4 months and before they reach the age of 5 months
