#### NOTICE UNDER SECTION 12(2) OF THE RAILWAYS ACT 1993

The Rail Regulator ("the Regulator"), pursuant to section 12(2) of the Railways Act 1993 (c 43) ("the Act") hereby gives notice as follows

(1) In respect of the network licence of Railtrack PLC ("the network licence") and the passenger licences which have been issued to each of the franchise operators (other than Island Line Limited) and Heathrow Express Limited ("the passenger licences") all under section 8 of the above Act he proposes to make the following modifications

(i) by amending Condition 8 (Timetabling) of the network licence, and (ii) by amending the Condition entitled "Timetabling" in each of the passenger licences (being Condition 9 in the template form of licence for passenger operators)

(2) The amendments to the network licence require Railtrack PLC to plan to enable temporary changes to the timetable for repair, maintenance and enhancement works to be specified and resulting timetable change procedures to be completed by 12 weeks before the change takes effect, to provide access to information about the changes to specified persons, to comply with certain procedures in carrying out these obligations and as to circumstances in which delay in compliance does not breach the obligation

(4) The reason why the Regulator proposes to make the modifications is to establish clear obligations on each licence holder in respect of the process to make changes to the national timetable arising from engineering works so that normally the revised timetable will be available 12 weeks before it applies and associated information (such as fares) will be available within the following 3 weeks

(5) A copy of the draft proposed modifications can be obtained (free of charge) from the address below or by telephone (0171-282 2001), fax (0171-282 2045), E-mail [orr@dial.pipex.com](mailto:orr@dial.pipex.com)
