The general effect of the Order will be to implement a Controlled Parking Zone (CPZ) in Seven Sisters using restricted parking spaces in order to reduce and control the problems of all day parking mainly by commuters. The CPZ will enable priority to be given to residents, shoppers, business and short stay visitors

This Order will affect the following roads

Antil Road, Arnold Road, Ashby Road, Ashmount Road, Beaconsfield Road, Bernard Road, Birstall Road, Brunswick Road, Clyde Circus, Clyde Road, Colless Road, Collingwood Road, Colsterworth Road, Cunningham Road, Earlsmead Road, Elizabeth Road, Greenfield Road, Grove Park Road, Harold Road, Hanover Road, Herbert Road, Houghton Road, Jansons Road, Kirkton Road, Loobert Road, Montague Road, Nelson Road, Newton Road, Norman Road, Page Green Road, Page Green Terrace, Pelham Road, Pembroke Road, Philip Lane, Portland Road, Rangemoor Road, Roslyn Road, Seaford Road, Southey Road, Spondon Road, Springfield Road, Stanby Road, Stamford Road, Suffield Road, Talbot Road, Tottenham Green East (South-side), Town Hall Approach Road, Townsend Road, Tynemouth Road, Victoria Road, Wakefield Road, Walton Road, West Green Road and Westerfield Road

All kerb-side space where it is safe to park will be marked out as parking bays. Elsewhere eg junctions, corners and bends, will mainly be covered with a single yellow line where parking will be prohibited during the prescribed hours, ie 8 a.m. to 6.30 p.m. Mondays to Saturdays

inclusive (except Christmas Day, Good Friday, or Bank Holidays), subject to permission for loading and unloading for no more than 20 minutes. Parking in the marked parking bays outside these prescribed hours will have no restrictions, but during the prescribed hours the restrictions are as set out below. Some areas within the CPZ will remain subject to more extensive restrictions contained in the existing Haringey (Waiting and Loading Restriction) (Special Parking Areas) (No 1) Order 1994

(i) Most of the bays in residential areas will be restricted for the use of residents and their visitors enabling them to park near their homes. In order to be able to park in these bays, residents will need to purchase a Resident's Permit, by application to the Council enclosing the required charge

(ii) *Resident's Permit Charges*

£30 for 6 months

(iii) The total number of bays for the exclusive use of residents and their visitors within the CPZ will be 1804

(i) Parking bays mostly situated in roads near to the shops in West Green Road will be "Shared Use" bays. Shoppers and other short term visitors will be able to park in them by purchasing a ticket from one of the "Pay and Display" ticket machines, however, parking will be limited to a maximum period of 2 hours

(ii) The "Pay and Display" ticket machines will be located on the highway near the "Shared Use" bays

(iii) *Pay and Display Charges*

£1 for up to 1 hour

£1.50 for up to 2 hours

(iv) Residents displaying their "Resident's Parking Permit" will be able to park without extra charge in "Shared Use" bays

(v) Visitor permit holders will be able to park in "Shared Use" bays

(vi) The total number of "Shared Use" bays in the CPZ will be 76

(vii) "Pay and Display" only bays in part of Philip Lane and in West Green Road. The latter will only be available outside peak hours

(i) Residents within the CPZ will be able to obtain visitors permits by application to the Council with the prescribed charge

(ii) There are three categories of visitors' permits. Each category of visitors' permits allows a visitor to park in residents' parking bays and "Shared Use" bays for the periods described below

(iii) The short-stay visitors' permit allows parking for a maximum of 4 hours. Residents under 60 years of age may purchase 20 such permits for £5 and 60 such permits for £5 with a maximum limit of 60 permits that may be purchased per resident per year

(iv) The week end visitors' permit allows parking from 12 noon on any Friday until 12 noon on the following Monday. Residents under 60 years of age may purchase permits at £5 each subject to a maximum limit of 10 permits that may be purchased per resident per year

(v) The long stay visitors' permit allows parking for a maximum of 14 days. Residents under 60 years of age may purchase permits at £5 each subject to a maximum limit of 2 permits that may be purchased per resident per year

(vi) In relation to residents aged 60 or over, all the figures shown above for the cost of visitors' permits are halved and all the figures shown above for the maximum number of visitors' permits that may be purchased annually are doubled

(i) In areas where there are few houses and mainly businesses, the majority of car parking bays will be allocated to the local businesses of that area. Businesses will be able to purchase business permits by application to the Council enclosing the required charge. This will enable them to park in the business bays located near to their place of work

(ii) Business permits will normally be limited to one per business but further permits may be purchased where the vehicles are essential for the efficient operation of the business

(iii) This permit is intended to provide a convenient and regular on street parking bay for local businesses

(iv) Vehicles displaying business permits may only park at no extra charge in the allocated business bays and not in the "Shared Use" bays

(v) *Business Permit Charges*

£75 for 3 months

£140 for 6 months

£260 for 1 year

(vi) The total number of "Business Bays" in the CPZ will be 22

(i) There will be a small number of free car parking bays where motorists can leave their cars for a maximum period of 2 or 4 hours. Return by the same vehicle to the same bay will be prohibited within 2 hours of departure

(ii) These bays will be distributed around the CPZ

(iii) The total number of free bays within the CPZ will be 180

Particular provision will also be made for licensed street traders. Street trading will continue in designated street trading area. Street traders will also be able to apply for parking permits for use in a limited number of bays near the street trading areas. There will be a charge for these street

traders' parking permits of £125 for 3 months £250 for 6 months and £500 for 12 months

There will be no change to the existing designated Doctor and Disabled persons parking bays within the CPZ and there will be no additional charge

The holder of a disabled person's orange badge may park free of charge in any parking bay provided that the orange badge is displayed, the vehicle is being used to carry a person with disability and the relevant parking bay has not been suspended. Holders of orange badges are also permitted to park for 3 hours maximum on yellow lines except where there is a loading bay

In genuinely exceptional circumstances of social or medical need or where carers experience exceptional difficulties, a limited number of special parking permits may be issued upon such conditions and subject to such charges (if any) as the Council's Assistant Director of Environmental Services may think fit

In certain circumstances parking bays may be suspended by the Council or the Police to allow for building operations, domestic removals, weddings, funerals or special events. Residents within the CPZ may request such a suspension. A charge will be made for this to cover administration costs except in the case of funerals

Subject to the provisions of this Order, each parking place may be used for the leaving during the permitted hours of vehicles of the following class, eg vehicle carrying passengers, goods carrying vehicles (the overall height of which does not exceed 2.27 metres and the overall length of which does not exceed 5.25 metres), motor cycles and invalid carriages

The prohibitions referred to above do not apply in respect of anything done with the permission or at the direction of a Police Constable in uniform, the picking up or setting down of passengers or the carrying out of Statutory powers or duties

Any contravention of the above-mentioned restrictions (including for example, parking in a bay without payment or exceeding the maximum permitted parking period) will render the owner of the vehicle liable to receive a Penalty Charge Notice from one of the Council's authorised parking attendants. The amount of the penalty charge will initially be £60 but reduced to £30 if paid within 14 days. Failure to pay within 56 days will increase the charge to £90. The above charges may be varied from time to time by the Joint Committee of London Authorities

As a consequence of the CPZ this Order also amends the Haringey (Waiting and Loading Restriction) Special Parking Area (No. 1) Order 1994. Waiting restrictions under that Order are revoked in the following roads

Arnold Road, Suffield Road, Town Hall Approach Road, West Green Road and Westerfield Road

Waiting restrictions under that Order are also partially revoked in the following roads

RIVER WYE ROD AND LINE (SALMON AND MIGRATORY TROUT) BYELAWS 1999

The Environment Agency Wales ('the Agency') hereby gives notice that on or after 7th July 1999 it intends to apply for confirmation of byelaws made by the Agency in exercise of the powers vested in it by section 210 of and Schedule 25 to the Water Resources Act 1991 ('the byelaws'). Pursuant to the Government of Wales Act 1998 and the transfer of functions made thereunder the confirming authority for the byelaws will be the National Assembly for Wales as respects Wales and the Minister for Agriculture, Fisheries and Food as respects England. The byelaws apply to the river Wye (defined as so much of the river Wye, its estuary and tributaries as was within the area of the former Wye River Authority) and their effect is as follows -

(1) to require the release of caught salmon greater than 70 centimetres in length taken by a rod and line from the 16th day of June in any year until the beginning of the applicable close season (meaning the close season for salmon for the location in question fixed by Byelaw 3 of the Agency's Welsh Rod and Line Byelaws 1995 ('the 1995 Byelaws'), or the close season for migratory trout fixed by Byelaw 4 of the 1995 Byelaws, as the case may be)

(2) to provide that no person shall fish for, take, or attempt to fish for or take any salmon or migratory trout with rod and line by means other than -

(a) an artificial fly weighing less than 5 grammes (and then only without any weight being attached directly or indirectly to the fishing line) from the end of the applicable close season until the 30th day of April in any year,

(b) the method specified in sub paragraph (a) above, or an artificial lure (except an artificial worm, prawn or shrimp), from the 1st day of May in any year until the 31st day of August, and

(c) the method specified in sub paragraph (a) above from the 1st day of September in any year until the beginning of the applicable close season, and that in no case shall a float be used in conjunction with any of those methods,

(3) to revoke Byelaws 9(a)(5)(ii) and 9(a)(6) of the 1995 Byelaws and (4) to provide that nothing in the byelaws mentioned in paragraphs (1) and (2) above shall apply to any employee of the Agency acting in his or her official capacity or to any person who with the permission in writing of the Agency and acting in accordance with any conditions attached to that permission, carries out work connected with the maintenance improvement or development of fisheries or for scientific purposes

It should be noted, with reference to paragraph (2) above, that disregarding those provisions of the 1995 Byelaws which are re-enacted by the byelaws for reasons of convenience and simplicity, the net additional effect of the byelaws so far as method restrictions are concerned is to permit only the use of an artificial fly weighing less than 5 grammes or an artificial lure (except an artificial worm, prawn or shrimp) from the 16th day of June to the 31st day of August (The Agency's 1995 Byelaws already permit only use of an artificial fly weighing less than 5 grammes from the end of the applicable close season until the end of April, only use of an artificial fly or an artificial lure from the end of April until the 1st day of June, a date which has now been extended to the 15th day of June by the Agency's National Salmon Byelaws confirmed by Ministers on 14th April 1999, and only use of an artificial fly weighing less than 5 grammes from the 1st day of September until the beginning of the applicable close season)

From the date of publication of this notice until 6th July 1999

1 A copy of the byelaws, the Agency's technical justification for them and this notice may be inspected free of charge, during normal office hours on Mondays to Fridays at the following locations
