The most southern boundary of the Conservation Area is marked by the inclusion of South Lodge and adjacent wooded areas called Sandlands which extend westwards to the main approach road to Hestercombe House and eastwards to adjoining farmland. This tract of land extends north to Hestercombe Road, where the western boundary of the area continues north along the eastern side of the main approach road to Hestercombe House until the road forks. Here the western boundary crosses the main road to include 1, 2 and 3 Park Gate with their associated curtilages, turning east along the north boundary of 3 Park Gate and back to the main road. The western boundary then continues north (on the east side of the road) and east to include 4 and 5 Park Gate and then returns south to the northern side of the main approach drive to Hestercombe House. The boundary continues in an easterly direction along the north of the drive until it reaches sinks in the SE corner of OS plot 6300. At this point the boundary turns northwards to follow the eastern boundary of OS plots 6300 and 6319. At the most northern point of OS plot 6319 the boundary turns east to follow the northern boundary of OS plot 7432 until it reaches the NW corner of OS plot 0028 where it turns south until it reaches the boundary north of Combe House. The boundary then follows the northern boundary to Combe House in an easterly direction crossing the stream and track (east of Combe House) then turns south to include the area of woodland called Kennel Bottom. At the fork in the track the boundary turns in an easterly direction along the northern boundary of Rook Wood. At the covered reservoir, the boundary turns north to follow the boundary between farmland to the west (not included) and the extensive wooded combe to the east (included). The boundary continues in a north-east direction to include the wooded combe which at its most northern point is to the south-west of Hill Farm. Here the boundary turns south to follow the east boundary of the wooded combe and hence include it. At the south-west corner of OS plot 4587 (east of the Mausoleum) the boundary turns east along the entire southern boundary of OS plot 4587. The eastern boundary then continues in a south-west direction following the north-west side of the track to the north-west of Hestercombe Farm until it reaches the secondary (service) access to Hestercombe House. The eastern boundary then continues south along the western boundary to this access track until it meets Hestercombe Road where it turns west along the northern side of Hestercombe Road, hence forming the main southern boundary to the Conservation Area. At the eastern (curtilage) boundary to Middle Lodge the boundary turns south to link up and include the wooded area called Sandlands, which along with South Lodge, forms the principle, most southerly features of the Hestercombe Conservation Area

9 Taunton, Middle Street and Hammet Street (revised)

Post & Telecom**Telecommunications****NOTICE UNDER SECTION 12(2) OF THE TELECOMMUNICATIONS ACT 1984****PROPOSED MODIFICATION OF THE LICENCE OF CONCERT COMMUNICATIONS COMPANY**

The Director General of Telecommunications ("the Director"), in accordance with section 12(2) of the Telecommunications Act 1984 ("the Act"), hereby gives notice that he proposes to make modifications to licence granted to Concert Communications Company ("Concert") on 18th December 1996 ("the Licence")

2 The Director proposes to make the modifications described in the Schedule below ("the Schedule"), the effect of which is to insert additional conditions in the Licence. The reason for the proposed modifications is to maintain continuity in the regulatory regime applicable to certain international services which, it is proposed, Concert will take over from BT following the creation of an international joint venture between BT and AT&T. In particular, the Director wishes to ensure that interconnecting operators do not sustain a reduction in their legal rights under the current regime due to run until 1st October 2001, due to a change in the legal entity providing international services. The Director also wishes to ensure that he has access to sufficient information to enable him to carry out his statutory duties

A fuller description of the effect of the additional conditions is set out in the OFTEL Consultative Document entitled "BT/AT & T Proposed Joint Venture", which is available from OFTEL's Research & Intelligence Unit (at the same address given in paragraph 4 below)

3 The Director is required by section 12(2) of the Act to consider any representations or objections, which are duly made and not withdrawn. Subject to such considerations and the consent of the Licensee, the Director proposes to make the modifications as soon as practicable after the statutory consultation is completed, in the event that the proposed joint venture has by then acquired control of Concert

4. The consultation procedure comprises two stages. In the first stage, representations on or objections to the proposed modifications may be made to Dilbinder Dhillon, OFTEL, 50 Ludgate Hill, London EC4M 7JJ (telephone 0171 634 8838, fax 0171 634 8847) by no later than 2nd July 1999

5 Any confidential material should be clearly marked as such and separated out into a confidential annex. All representations and objections received by OFTEL, with the exception of material marked confidential, will be made available for inspection in OFTEL's Research & Intelligence Unit. Comments on this document (if they are relatively short) can also be sent to OFTEL at the following e-mail address: press.office@ofel.gov.uk

6. In the second stage of consultation, interested parties will be invited to send comments to OFTEL no later than 16th July 1999 on the representations and objections received in the first stage.

SCHEDULE

It is proposed to insert the following conditions

- (i) Quality of Service
 - (ii) Interconnection
 - (iii) Accounting Separation,
- together with a number of additional definitions flowing from the inserting of these conditions. There will also be some minor and consequential amendments. The full text of these conditions is contained in the OFTEL Consultative Document referred to at paragraph 2 above (2 SI)
