The Variation being applied for is: to extend the date contained in Condition 7 of the Schedule of Conditions from 31st December 1999 to a new date to be determined by the Environment Agency.

The extended period is required in Order that a full Environmental Impact Assessment of the effects of the abstraction on the river can be undertaken and then to provide sufficient time for the development and construction of any alternative source that may be necessary. The increased quantities are required to ensure that Dwr Cymru—Welsh Water can continue supplying water to customers in the Mid and South Ceredigion area in high demand years; these additional quantities were not required in 1997 or 1998.

A copy of the application and any map, plans and other documents submitted with it may be inspected, free of charge, at all reasonable hours at Llechryd Water Treatment Works between 4th August 1999 and 1st September 1999.
