Swindon Borough Council

HIGHWAYS ACT 1980

SECTION 116 APPLICATION

Notice is hereby given that the said Swindon Borough Council intends to make an application to the Magistrates' Court sitting at Swindon in the said County at 10 a.m., on Wednesday, 10th November 1999, for an Order authorising the stopping-up of an area of land at Burytown Lane, Blunsdon St. Andrews in Swindon.

The Application is being made on the grounds that this part of the highway is unnecessary as the area in question to be stopped up is a small area of wasteland that serves no purpose for access or for highway purposes. There is no redevelopment due to take place in this area and the Council will retain a verge for maintenance purposes 1 metre wide. The area of land to be stopped up is an unclassified road which does not in way impede or affect any access.

A copy of the plan showing the effect of the Order to be applied for may be inspected, free of charge, at the Customer Services Department, Civic Offices, Euclid Street, Swindon SN1 2JH, during normal office hours, from 11th October 1999 for a period of 28 days. The plan can also be inspected on site, where a copy is posted.

Any person upon whom this notice has been served, any person who used the highway or any other person who would be aggrieved by the making of the Order may appear before the Court and make their objections or representations known.
