North Wiltshire District Council

NOTICE OF DESIGNATION OF A CONSERVATION AREA PLANNING (LISTED BUILDINGS AND CONSERVATION AREAS) ACT 1990

CRICKLADE CONSERVATION AREA, CRICKLADE, WILTSHIRE

Notice is hereby given that North Wiltshire District Council designated the above Conservation Area on 22nd September 1999.

A plan of the Cricklade Conservation area is available for public inspection, free of charge, at the District Council Offices, Development Control Reception, Monkton Park, Chippenham, Wiltshire, at the following times: 8.45 a.m. to 5.15 p.m. Monday to Thursday and 8.45 a.m. to 4.45 p.m. Friday.

The Cricklade Conservation was first designated in May 1970, and focussed on the linear form of the High Street, including part of Calcutt Street. On July 1989 the Conservation Area was extended to include the eastern courses of the original Saxon ramparts. The north-western ramparts are generally open and remain publicly accessible as well as being Scheduled Ancient Monuments and important reminders of the town's origins. The extended area includes the residential area of north wall and the surrounding open areas of land known as Hall Close and Long Close. An important aspect of the economic history of Cricklade has been the links with the tanning and leather working industry. Historically the site of the tannery and hide dealers was just north of the river near The Priory. The extended area includes the remainder of the are of the tanyard site, following the line of the ditch and river.

The principle objective of designation is to preserve and enhance the character and appearance of this area.

Designation provides control over demolition, and anyone wishing to demolish any building or structure, or part of any building or structure, must first apply for Conservation Area Consent to the local planning authority. Further controls require anyone proposing to carry out work to trees within the Conservation Area, which are not already protected by a Trees Preservation Order, to give the local planning authority six weeks notice of their intention.

Designation also requires the local authority to publish an advertisement in the local newspaper and display a notice on or near the site in the case of every planning application which the authority consider would affect the character of appearance of the Conservation Area or the setting of a Listed Building. The application will not be determined for 21 days, after the notice is first displayed, during which time representations relating to any such application may be made to the Council. In determining the application the local planning authority shall take into account the representation made.

Further information is available from Conservation & Urban Design, North Wiltshire District Council, Monkton Park, Chippenham, Wiltshire SN15 1ER. Tel: Chippenham (01249) 706671.
