CORBY BOROUGH COUNCIL SALCOMBE ROAD AND SEATON CRESCENT (PROHIBITION OF DRIVING) ORDER 1999

Notice is hereby given that Corby Borough Council confirm the Order under Section 1(1) and 2(1)-(3) and Schedule 9 of the Road Traffic Regulation Act 1984, the effect of which is to prohibit the driving of vehicles in that length of Seaton Crescent which extends from the junction of Counts Farm Road for a distance of approximately 5 metres in a north-north-westerly direction, and Sacombe Road which extends from the junction with Counts Farm Road for a distance of approximately 5 metres in an easterly direction.

Reasons for Restriction: The Order is required on the grounds that road safety is prejudiced by vehicles using Seaton Crescent through to Counts Farm Road as means to avoid the traffic calming measures located on Counts Farm Road (on Sidmouth Walk at the end of Seaton Crescent there is a school access).

A Copy of the Order, together with a map showing the length of the road to which the order relates and a statement of the Corby Borough Council's reasons for making the Order may be inspected at the offices of Corby Borough Council, Civic Centre, George Street, Corby, Northants during normal office hours.

Office of Gas and Electricity Markets

NOTICE UNDER SECTION 11(2) OF THE ELECTRICITY ACT 1989

The Director General of Electricity Supply ("the Director") hereby gives notice pursuant to section 11(2) of the Electricity Act 1989 ("the Act") as follows.

The Director proposes to modify conditions of the licences granted to South Wales Electricity plc ("SWALEC") under sections 6(1)(c) and 6(2) of the Act. He proposes to modify these conditions because of (i) the acquisition by British Energy plc of SWALEC's supply business and (ii) the agreement by SWALEC to engage British Energy Retail Markets Ltd. ("BERM") as its agent in undertaking its functions as a public electricity supplier with regard to the supply of electricity.

1. The Director proposes to modify the licence granted to SWALEC under section 6(1)(c) by amending existing conditions and introducing new conditions to have the following effect.

(A) To clarify which licence conditions apply to SWALEC's distribution business, to its supply business or to both by reordering the provisions of the licence and dividing it into three sections and by making such consequential modifications as are necessary.

(B) To provide that the exercise of any statutory power by BERM in respect of the supply business shall be treated as if it were performed by SWALEC; and to provide that any document served by BERM on the Director (or vice versa) shall be treated as being served by (or on) SWALEC.

(C) To require SWALEC to treat as confidential any information relating to or deriving from the management or operation of its distribution business; to require SWALEC to manage and operate its distribution business independently of any of its other businesses; and to provide that the Director may in certain circumstances, and subject to such terms and conditions as he considers necessary or appropriate, give, amend and withdraw directions which disapply these obligations in whole or in part.

(D) To require SWALEC to appoint a person to facilitate and monitor compliance with the requirement referred to in (c) above; to assign to that person such tasks and duties as are required for that purpose; to provide that person with such facilities and resources as are necessary for him to carry out his tasks and duties; and to require SWALEC to

report to the Director on his activities and its compliance with those requirements.

2. The Director proposes further to modify the licence granted under section 6(1)(c) of the Act by amending existing conditions and introducing new conditions to have the following effect.

(A) To require SWALEC to conduct its distribution business so as to facilitate competition in the generation of electricity and in the supply of electricity within its authorised area.

(B) To require that SWALEC's generation business shall be carried on by an affiliate in which it has no shareholding interest.

(C) To remove SWALEC's generation business from the "permitted purposes" for which SWALEC may provide investment, security or financial support.

(D) To restrict the construction, operation, ownership or acquisition by SWALEC or its affiliates or related undertakings of generation plant embedded in SWALEC's distribution system.

3. The Director proposes to modify the conditions of the licence granted to SWALEC under section 6(2) of the Act by introducing a new condition to prohibit SWALEC from supplying or offering to supply electricity to customers outside its authorised area other than those with whom it has entered into contracts to supply electricity prior to the date on which the condition comes into force.

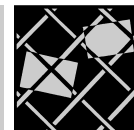

A copy of the proposed modifications can be obtained (free of charge) from the Office of Gas and Electricity Markets. Any representations or objections to the proposed modifications may be made on or before 18 November 1999, to Ravi Randhawa, Office of Gas and Electricity Markets, Hagley House, 83-85 Hagley Road, Edgbaston, Birmingham B16 8QG.
