THE BROMLEY (BUS LANES) (NO. 1) ORDER 1998 (AMENDMENT) (NO. 3) ORDER 2000

BUS STOP, BUS LANE AND PARKING IMPROVEMENTS

Notice is hereby given, that the Council of the London Borough of Bromley proposes to make the above-mentioned Order under the provisions of sections 6 and 124 of, and part IV of Schedule 9 to, the Road Traffic Regulation Act 1984, as amended by section 8 of, and Part I of Schedule 5 to, the Local Government Act 1985, and sections 64-81 inclusive and Schedules 6 and 7 of the Road Traffic Act 1991, and of all other powers thereunto enabling.

(a) introduce a new westbound bus lane along Widmore Road, approaching Kentish Way;

A copy of the draft Orders, of the Orders being amended, of the relevant drawings and of the statement of reasons can be inspected during normal office hours on Mondays to Fridays inclusive until 29th March 2000, at the Bromley Civic Centre, Stockwell Close, Bromley BR1 3UH. HIGHWAYS AGENCY**LAND COMPENSATION ACT 1973 (AS AMENDED)****NOTICE OF OPENING**

The Secretary of State for the Environment, Transport and the Regions hereby gives notice that the length of highway detailed in the Schedule below was first open to public traffic on 14th December 1999, after completion.

Under Part I of the Land Compensation Act 1973 (as amended) there is a right to compensation in respect of any depreciation of more than £50 in the value of certain interests in land caused by the use of new or altered highways and resulting from specified physical factors (noise, vibration, smell, fumes, smoke and artificial lighting and the discharge on to the land in respect of which the claim is made of any solid or liquid substance). Compensation is assessed by reference to prices current at a date 12 months after the highway is first open to public traffic or, in the case of an altered highway, first open to public traffic after completion of the alterations.

Interests qualifying for compensation are specified in section 2 of the above-mentioned Act and there are special provisions relating to claims by mortgagees and persons entitled under trusts or settlements. However, no compensation can be paid under Part 1 where part of a property has been acquired for the purpose of constructing the highway. Any person entitled to a qualifying interest who considers they have a claim under the said provisions may obtain further information and claim forms from The Highways Agency, Project Services Lands Division, Federated House, London Road, Dorking RH4 1SZ.

Claims may be made 12 months after the new or altered highway is first open to public traffic, that is on or after 14th December 2000 (the "first claim day"). Claims should be made within 6 years from this date. However, any person who within the 12 months preceding that date makes a contract for disposing of their interest or (insofar as the interest is in land which is not a dwelling) for granting a tenancy may make a claim within that period and must do so before the interest is disposed of or the tenancy granted. Compensation in such cases will not be payable before the first claim day.

T. Nash, a Higher Executive Officer in the Highways Agency
