Borough of Tamworth**ROAD TRAFFIC REGULATION ACT 1984****NOTICE OF PUBLIC INQUIRY****TAMWORTH BOROUGH COUNCIL (TOWN CENTRE)
(PROHIBITION OF DRIVING, WAITING AND ONE WAY)
ORDER**

The Borough Council published notice of its proposals to make the above mentioned Order on 29th July 1999 and have now decided that a Public Inquiry should be held to consider these proposals.

The general effect of the Order is as follows:

In a plan to promote Tamworth as a high quality visitor and shopping location consideration has been given to a number of options to extend pedestrian only areas in the town centre.

The original options were subject to a full consultation exercise with all town centre businesses, residents and shoppers, and this was carried out prior to the introduction of a Traffic Order.

After considering the response from the consultation exercise it was proposed to introduce a Traffic Regulation Order to pedestrianise the following shopping streets in the town centre, i.e.:

George Street, Market Street, College Lane, Lower Gungate (part), Colehill, Bolebridge Street (part), Victoria Road.

Access for deliveries is to be banned between 11 a.m. and 3 p.m. to keep the centre free from large vehicles during the peak shopping hours. Statutory exemptions were included in the Order for emergency vehicles and market traders who will be allowed access on market days (Tuesdays and Saturdays).

After considering the response from the statutory consultations exercise the Borough Council decided to amend the Order and relax the restriction with regard to Bolebridge Street and Victoria Road. However there are still a number of objections to the Order.

Therefore a Public Inquiry will be held where an Independent Inspector, Mr. R. G. Brown, will consider the scheme. The Inquiry will take place at the Council Offices on the following dates: Tuesday, 18th April 2000; Wednesday, 19th April 2000; Thursday, 20th April 2000.

A further date will be programmed if required during week commencing 2nd May 2000.

Documents giving detailed particulars of the Order are available for inspection at Marmion House, Lichfield Street, Tamworth, between 9 a.m. and 5 p.m. Monday to Friday.

Any representations should be made in writing to the undersigned at the following address.

D. Weatherley, Chief Executive

North Wiltshire District Council

PLANNING (LISTED BUILDINGS AND CONSERVATION AREAS) ACT 1990

NOTICE OF DESIGNATION OF A CONSERVATION AREA

CALNE CONSERVATION AREA, CALNE, WILTSHIRE

Notice is hereby given that North Wiltshire District Council designated the above Conservation Area on 10th February 2000.

A plan of the Calne Conservation Area is available for public inspection, free of charge, at the District Council Offices, Development Control Reception, Monkton Park, Chippenham, Wiltshire, between 8.45 a.m. and 5.15 p.m. on Monday to Thursday; and 8.45 a.m. and 4.45 p.m. on Friday.

The Calne Conservation Area was first designated in January 1973, encompassing the town centre and immediate environs. The town lies on the River Marden and the Main A4 trunk road from London to Bristol. In mediaeval times Calne was at the centre of the woollen trade in the west of England and this was the most important industry until the early 19th century. At this time the bacon industry became significant, being the town's major employer until the 1980s. Buildings from the woollen era still remain around The Green and the castle mound suggests there was once a castle. Transport has been a major influence in the town in the past with the A4, railway line and canal, and many aviation related activities in the area. The boundary has been extended in five areas to

include The Pippin and Phelps Parade, Curzon Street West, Alma Terrace and Victoria Terrace, Wilts and Berks Canal and Anchor Road and River Marden South. These areas encompass pleasant areas of countryside extending into the town, historic routes and transport corridors and areas of 19th century housing.

The principal objective of designation is to preserve and enhance the character and appearance of this area.

Designation provides control over demolition, and anyone wishing to demolish any building or structure, or part of any building or structure, must first apply for Conservation Area Consent to the local planning authority. Further controls require anyone proposing to carry out work to trees within the Conservation Area, which are not already protected by a Tree Preservation Order, to give the local planning authority 6 weeks' notice of their intention.

Designation also requires the local authority to publish an advertisement in the local newspaper and display a notice on or near the site in the case of every planning application which the authority consider would affect the character or appearance of the Conservation Area or the setting of a Listed Building. The application will not be determined for 21 days, after the notice is first displayed, during which time representations relating to any such application may be made to the Council. In determining the application the local planning authority shall take into account the representation made.

Further information is available from Conservation & Urban Design, North Wiltshire District Council, Monkton Park, Chippenham, Wiltshire SN15 1ER, telephone Chippenham (01249) 706671. (497)
