Horsham District Council

PLANNING (LISTED BUILDINGS AND CONSERVATION AREAS) ACT 1990, SECTION 69

VARIATION OF HORSHAM CONSERVATION AREA

Notice is hereby given that in pursuance of the Planning (Listed Buildings and Conservation Areas) Act 1990, section 69 Horsham District Council by Resolution of its Planning and Development Committee dated 23rd November 1999, has determined to vary the boundary to Horsham Conservation Area. The areas described in Schedule 1 add to the special architectural or historic interest the character or appearance of which it is desirable to preserve or enhance, therefore these areas are to be included in the Conservation Area.

The effect of the variation to extend part of the Conservation Area adds the following controls to the area:

(a) Where any application for planning permission for development of land in or adjacent to the Conservation Area is made to the Local Planning Authority and the development would, in the opinion of the Local Planning Authority, affect the character or appearance of the Conservation Area, the application will be subject to the special procedure in section 73 of the Planning (Listed Buildings and Conservation Areas) Act 1990 (publicity for applications affecting Conservation Areas).

(b) Anyone wishing to demolish a building or part of a building within a Conservation Area must (subject to certain exemptions) first apply for consent from the Local Planning Authority.

(c) Anyone wishing to cut down, top, lop, uproot or wilfully damage or destroy any tree, within the Conservation Area must first give notice to the Local Planning Authority and may undertake the work only with the

consent of the Local Planning Authority or after the expiry period of six weeks.

(d) For the purpose of the Town and Country Planning (General Permitted Development) Order 1995 land within the Conservation Area is referred to as article 1(5) land and permitted development rights are more restricted.

The area described in Schedule 2 no longer adds to the special architectural or historic interest the character or appearance of which it is desirable to preserve or enhance, therefore the area is to be cancelled from the Conservation Area.

The effect of the variation to cancel part of the Conservation Area removes the following controls from that area:

(a) Where any application for planning permission for development of land in or adjacent to the Conservation Area is made to the Local Planning Authority and the development would, in the opinion of the Local Planning Authority, affect the character or appearance of the Conservation Area, the application will be subject to the special procedure in section 73 of the Planning (Listed Buildings and Conservation Areas) Act 1990 (publicity for applications affecting Conservation Areas).

(b) Anyone wishing to demolish a building or part of a building within a Conservation Area must (subject to certain exemptions) first apply for consent from the Local Planning Authority.

(c) Anyone wishing to cut down, top, lop, uproot or wilfully damage or destroy any tree, within the Conservation area must first give notice to the Local Planning Authority and may undertake the work only with the consent of the Local Planning Authority or after the expiry period of six weeks.

(d) For the purpose of the Town and Country Planning (General Permitted Development) Order 1995 permitted development rights on the land are no longer restricted.

A map of the Conservation Area may be inspected, free of charge, during office hours at the Directorate of Planning, Park North, North Street, Horsham.

M. J. Pearson, Chief Executive
Park North, North Street, Horsham.

SCHEDULE 1

Horsham Conservation Area is to be varied by:

(i) extending the southern boundary to the River Arun to include Provender Mill, Mill House, the recreation ground, Fordingbridge Close, St. Mary's School and properties on the western side of Denne Road;

(ii) extending the eastern boundary to include properties in Hadmans Close and the central part of Denne Road including Cemetery Lodge, the TA Centre, Crossley Hughes House and properties north to 21A Denne Road.

SCHEDULE 2

Horsham Conservation Area is to be varied by redefining the boundary around Arun Lodge to exclude the garden but continue to include the house and outbuildings.

7th April 2000.

The reason for the modifications is to bring Schedule 1, Part 1(x) of NTL's licence in line with that of the licence granted to Crown Castle UK on 23rd January 1997. The modifications will therefore enable the Director to maintain and promote effective competition in the provision of television and radio transmission services.

The Director also proposes to make certain amendments consequential on the modifications mentioned above. The effect of these modifications will be to ensure that certain other definitions in Schedule 1 take account of the Broadcasting Act 1996, Digital Services and services to Sound Broadcasters. These amendments are to be made for reasons of consistency and transparency.

The Director is required by section 12(2) of the Act to consider any representations or objections which are duly made and not withdrawn. Subject to such consideration and NTL's consent, the Director proposes to make the modifications forthwith.

The consultation period comprises two stages. In the first stage, representations on or objections to the proposed modifications may be made to Robert MacDougall, OfTel, 50 Ludgate Hill, London EC4M 7JJ (telephone 020 7634 8726, fax 020 7634 8893, Email: robert.macdougall@ofTel.gov.uk) by no later than 5th May 2000.

Any confidential material should be clearly marked as such and separated out into a confidential annex. All representations and objections received by OfTel, with the exception of material marked confidential, will be made available for inspection in OfTel's Library. Comments on this document (if they are relatively short) can also be sent to OFTEL at the following Email address: press.office.ofTel@gtnet.gov.uk

In the second stage of consultation, interested parties are invited to send comments on representations and objections received in the first stage to Robert MacDougall at OfTel, details as above, by no later than 19th May 2000. Copies of the proposed modifications and consequential amendments can be obtained from Robert MacDougall at the above address.

SCHEDULE

Proposed modifications of NTL's licence to run telecommunication systems for the provision of television and radio transmission services.

The proposed modifications will alter the definition of "Relevant Person", currently set out in Schedule 1, Part 1(x) of NTL's transmission licence. It is intended that the definition of "Relevant Person" will include services provided to Channel 5, and will take into account changes implemented by the Broadcasting Act 1996. This will ensure that NTL's transmission licence makes reference to digital services. The proposed changes will also bring services provided to any Sound Broadcaster under the scope of "Relevant Person".

The proposed modifications will ensure that those persons included within the definition of "Relevant Person" have improved access to NTL sites. The proposed modifications will ensure that persons included within the definition of "Relevant Person" will be able to independently trigger the determination process where there is a dispute about the price being charged.
