DIRECTIVE 85/337/EEC: ARTICLE 7 PROPOSED DREDGING FOR SAND AND GRAVEL, AREA 461, MEDIAN DEEP

The Secretary of State for the Environment, Transport and the Regions hereby gives notice that he has received an application from Volker Dredging Limited (VDL) for a Government View on a proposal to extract marine sand and gravel from Area 461, Median Deep. Area 461 is located approximately 40 kilometres south of the East Sussex coast on the southern margin of British Territorial Waters and covers an area of approximately 150 square kilometres. A favourable Government View of the proposed project would enable VDL to apply to the Crown Estate Commissioners for a production licence.

It is anticipated that statutory regulations for the control of marine dredging will be introduced shortly to replace the non-statutory Government View procedure. Under the forthcoming arrangements, if it is decided that the application should be granted, a dredging permission would be issued, rather than a favourable Government View as at present.

In accordance with his obligations under Article 7 of Council Directive 85/337/EEC, on the assessment of the effects of certain public and private projects on the environment (as amended by Directive 97/11/EC), the Secretary of State has notified the following EU Member States:

France, Belgium, Denmark, Germany and the Netherlands, about that proposal, which may have a significant effect on the environment of those States. The potential environmental impacts relate mainly to fisheries interests.

He has forwarded to them a copy of the Environmental Statement prepared by Environmental Resources Management Limited for Volker Dredging Limited, to show the effects this proposal will have on the environment and any measures proposed to mitigate these effects. He has invited them to make any relevant representations about the proposed development or the information contained in the environmental statement to him nor later than 30th August 2000. The Secretary of State will make no decision on the application by Volker Dredging Limited until after that date.

A copy of the Environmental Statement may be inspected at the Department of the Environment, Transport and the Regions, Eland House, Bressenden Place, London SW1E 5DU, between the hours of

9 a.m. and 5 p.m., Monday to Friday, until 30th August 2000. To arrange to inspect it please telephone Matthew Louis, telephone number 020-7944 3877. Copies of the Environmental Statement may also be purchased direct from Environmental Resources Management, Eaton House, Wallbrook Court, North Hinksey Lane, Oxford, at a cost of £98 (hard copy), or £15 (on CD ROM). Copies of the non-technical summary of the Environmental Statement are also available from the same address at a cost of £15.

Comments on the proposed project and the information contained in the Environmental Statement should be sent to Environmental Resources Management, at the above address, so that these may be included in the report on consultation to be submitted by the applicant to the Secretary of State under the Government View procedures.
