Suffolk Coastal District Council

ROAD TRAFFIC REGULATION ACT 1984 (AS AMENDED) LOCAL AUTHORITIES' TRAFFIC ORDERS (PROCEDURE) (ENGLAND AND WALES) REGULATIONS 1996

THE SUFFOLK COASTAL DISTRICT COUNCIL (OFF-STREET PARKING PLACES) (VARIATION) ORDER 2000

NOTICE OF PROPOSALS

Take notice that it is the intention of Suffolk Coastal District Council ("the Council") of Council Offices, Melton Hill, Woodbridge, Suffolk to make the Suffolk Coastal District Council (Off-Street Parking Places) (Variation) Order 2000.

The purpose of the proposed Order is to vary the Suffolk Coastal District Council (Off-Street Parking Places) Order 1995 which was amended in 1998 by the Suffolk Coastal District Council (Off-Street Parking Places) (Variation Order 1998). These Orders are referred to respectively as "The 1995 Order" and "The 1998 Order", and together as "The 1995 and 1998 Orders".

The principle changes to be made to the 1995 and 1998 Orders are:

- (i) revision of certain tariffs set out in the 1995 and 1998 Orders as further explained in the Schedule to this notice;
- (ii) to make a number of changes to the provisions of the 1995 and 1998 Orders which are desirable for practical reasons, or to reflect changes in the management and use of public car parks and to secure their more efficient utilisation.

Save as varied the 1995 and 1998 Orders will continue in full force and effect.

This Order will apply to all the Council's car parks (Off-Street Parking Places) whether charges are levied for their use or their use is free.

The Tariffs charged by the Council for the use of its car parks have remained substantially unchanged since 1991; although the 1998 Order amended certain medium and long stay charges in short stay car parks. Further tariff changes are desirable now in order to maintain the Council's income from its public car parks (this income is the principal source of funds for meeting the cost of maintenance and management of all its car parks) without levying charges that are a deterrent to most motorists or likely to undermine the economic viability of town centres. By the 1998 Order, free half-hour car parking was introduced on an experimental basis in some town centre car parks, allocating a few spaces in each of these. This experiment has proved popular, and a provision of the proposed Order is to put on a permanent footing.

It is also proposed to change the provisions of the 1995 Order insofar as they relate to trading in car parks since it is felt that these provisions are less effective than they might be in changing circumstances.

This notice is intended only to give a brief indication of the changes that the Council proposes to make to the 1995 and 1998 Orders. A copy of the variation order as drafted, copies of the 1995 and 1998 Orders, and a statement of the Council's reasons for proposing to make the Variation Order may be inspected at the offices of Suffolk Coastal District Council, Melton Hill, Woodbridge, Suffolk IP12 1AU on Mondays to Fridays during normal office opening hours, that is to say 08.45-17.00 Mondays to Thursdays and 08.45-16.30 on Fridays.

Any objections to the proposed Variation Order or other representations may be made in writing to the Chief Executive, Suffolk Coastal District Council, Council Offices, Melton Hill, Woodbridge, Suffolk IP12 1AU (quoting Ref.LKO/004) to arrive no later than 17th November 2000. All objections must specify the grounds on which they are made.
