EXPERIMENTAL TRAFFIC AND PARKING RESTRICTIONS IN BRAYBURNE AVENUE, KILLYON ROAD, ROZEL ROAD AND WANDSWORTH ROAD

Notice is hereby given that the Council of the London Borough of Lambeth, on 7th December 2000, made the Lambeth (Prescribed Routes) (No. 5) Experimental Traffic Order 2000, the Lambeth (Clapham) (Parking Places) (No. 1) Experimental Traffic Order 2000, and the Lambeth Waiting and Loading Restriction (Special Parking Area) (No. 3) Experimental Traffic Order 2000, under section 9 of the Road Traffic Regulation Act 1984. The Orders will come into force on 18th December 2000, and can continue in force for up to 18 months. The general nature and effect of the Orders will be:

- (a) to prohibit all motor vehicles, except emergency services vehicles, from using Brayburne Avenue as a through route (this will be achieved by the placing of a barrier outside Nos. 57/60/62 Brayburne Avenue);
- (b) to suspend the existing one-way working for vehicles in Brayburne Avenue, between Wandsworth Road and Netherford Road;
- (c) to prohibit all vehicles in Wandsworth Road (except pedal cycles) from entering Rozel Road;
- (d) to prohibit all vehicles in Larkhall Rise (except pedal cycles) from entering Killyon Road;
- (e) to prohibit all vehicles over 6 feet 6 inches wide from using Rozel Road as a through route in a direction towards Wandsworth Road;
- (f) to impose restrictions on waiting by vehicles at any time (double yellow lines) in part of Brayburne Avenue in the vicinity of the barrier described in sub-paragraph (a) above and in Rozel Road and Wandsworth Road at and in the vicinity of the junction of those two roads (these restrictions would apply instead of the existing restrictions on waiting by vehicles);
- (g) to reduce the length of a certain parking place in Brayburne Avenue to accommodate the barrier described in sub-paragraph (a) above.

The Orders are necessary to discourage "rat running" traffic from using certain roads and thereby improve the amenity of the area.

If you have any enquiries about this matter, please telephone the Transportation and Highways Group on 020-7926 2208.

Documents giving more detailed particulars of the Orders are available for inspection, from 8th December 2000, until the Orders cease to have effect, at the offices of Lambeth Borough Council's Transportation and Highways Group, 3rd Floor, Blue Star House, 234-244 Stockwell Road, Brixton, London SW2 9SP, between 9.30 a.m. and 4.30 p.m. on Mondays to Fridays.

The Council will be considering in due course whether the provisions of the experimental Orders should be continued in force indefinitely by means of Orders made under sections 6 and 45, 46 and 49 of the Road Traffic Regulation Act 1984. THE SUTTON (DISABLED PERSONS PARKING PLACES)
(NO. 7) (AMENDMENT NO. 32) EXPERIMENTAL ORDER 2000
[REF: DS291]

RELATING TO THROWLEY ROAD, SUTTON

Notice is here given that the Council of the London Borough of Sutton made the above-mentioned Order on 4th December 2000, under sections 9, 10 and 124 of, and Part IV of Schedule 9 to the Road Traffic Regulation Act 1984, as amended by the Local Government Act 1985, and the Road Traffic Act 1991.

The principal objective of the Order is to implement the Council's commitment to review the parking facilities for disabled badge holders. In particular, following the partial pedestrianisation of that part of Sutton High Street which lies between Throwley Road and Cheam Road, three disabled persons parking bays were unavailable during the hours of closure. This Order seeks to make the nearby bays in Throwley Road available to a larger number of disabled badge holders. The Order is being introduced on an experimental basis so that the effectiveness of placing a maximum stay restriction on those bays may be assessed in the light of operational experience.

The general effect of the Order will be to vary the restriction on waiting in the two disabled persons parking places in Throwley Road, Sutton [four bays] to a maximum period of three hours with no return within two hours. [Reference DS291]

Full details of the proposals, which will come into operation on 18th December 2000, are contained in the following documents:

- (a) the Order;
- (b) a plan indicating the location and effect of the restrictions; and
- (c) the Council's statement of reasons for making the Order.

These may be examined until the date on which the Order ceases to have effect at Civic Offices, St. Nicholas Way, Sutton, 9 a.m. to 5 p.m., Monday to Friday, and Environment and Leisure, 24 Denmark Road, Carshalton, 9 a.m. to 5 p.m., Monday to Friday.

Further information may be obtained by telephoning the Construction and Property Consultancy on 020 8770 6445.

The Order provides that in pursuance of section 10(2) of the Road Traffic Regulation Act 1984, the Executive Head of Planning and Transportation of the London Borough of Sutton, or other person authorised in that behalf by that officer may, if it appears to that officer or to that person essential in the interests of the expeditious, convenient and safe movement of traffic, or of the provision of suitable and adequate parking facilities on the highway, or for preserving or improving the amenities of the area through which the road affected by this Order runs, modify or suspend this Order or any provision thereof. If the provisions of the Order continue in operation for a period of not less than 6 months, the London Borough of Sutton will consider in due course whether the provisions of the Order should be reproduced and continued in force indefinitely by means of an Order under section 6 of the said Act of 1984. Persons desiring to object to the making of such an Order for the purpose of such reproduction and continuation in force may, within the period of 6 months referred to above (i.e., by 17th June 2001), send a statement in writing of their objection and the grounds of that objection to the address below, quoting the appropriate reference(s).

Persons objecting to the making of such an Order should be made aware that in view of the Local Government (Access to Information) Act 1985, this Council would be legally obliged to make any comments received in response to this notice open to public inspection, if requested.

If any person wishes to question the validity of the Order, or of any of its provisions on the grounds that it or they are not within the powers conferred by the Road Traffic Regulation Act 1984, or that any requirement of the said Act of 1984, or of any instrument made under the said Act of 1984 has not been complied with, that person may, within 6 weeks from the date on which the Order is made, apply for the purpose to the High Court.

THE RAILWAYS ACT 1993

Non-Passenger Licence and Light Maintenance Depot Licence Exemption Application by: GrantRail Limited ("the Applicant")

Company Registration Number: 03184313

Registered Address of the Applicant: Scotter Road, Scunthorpe, North Lincolnshire DN15 8EF

Directors of the Applicant: Andries Johannes De Jong, Paul Waterhouse, John Grenville Edwards, Michael Smith and Nicholas Roy Kenneth Clarke

The Rail Regulator hereby gives notice in accordance with section 8 (4) of the Railways Act 1993 that he proposes to grant a non-passenger licence to the Applicant. The reason for granting the licence is to enable the Applicant to operate railway maintenance machines in accordance with various track renewal contracts, subject to compliance with all necessary legal requirements. It appears to the Regulator that the Applicant is a fit and proper person to be the holder of such a licence and to operate the railway asset in question.

He also gives notice, in accordance with section 7 (4) of the Railways Act 1993, that he proposes to grant the Applicant an exemption from the requirement to be authorised by licence to operate the light maintenance depot known as Frodingham Diesel Depot and the networks comprised within and associated with this light maintenance depot on the grounds that he does not consider it appropriate for the provisions of the Act to be applied to such railway assets because the depots will only be used for maintaining non-passenger vehicles.

Plans of the light maintenance depot are available on request.

Any person who wishes to make any representation or objection with respect to the proposed non-passenger licence or the proposed light maintenance depot licence exemption, should send such representation, objection or request no later than 5th January 2001 to: Nathan Jelf-Mannion, Licensing and Standards Team, Directorate of Operator Regulation, Office of the Rail Regulator, 1 Waterhouse Square, 138-142 Holborn, London EC1N 2TQ.

Notice is hereby given that the Yarmouth (Isle of Wight) Harbour Commissioners ("the Commissioners") have applied to the Secretary of State for the Environment, Transport and the Regions to make a Harbour Revision Order under section 14 of the Harbours Act 1964.

The Order will alter the constitution of the Commissioners. The object of the alteration is to give effect to the guidance contained in the government report "Modernising Trust Ports—a Guide to Good Governance". Under the new constitution the Commissioners will consist of a body of nine. Four Commissioners will be appointed by the Commissioners in consultation with an advisory body or bodies to be established by the Order and four will be appointed jointly by the Isle of Wight Council, Yarmouth Town Council, Freshwater Parish Council and Totland Parish Council. The Harbour Master and Chief Executive will also hold office as a Commissioner. Under the terms of the Order the appointed Commissioners will retire in rotation.

The new constitution date will be 1st June 2001 or the date when the Order comes into force, whichever is the later; and for a period of six months starting on that date, five of the existing Commissioners will serve as co-opted Commissioners in addition to the nine Commissioners mentioned above.

The Order will make other provisions, including requirements as to selection and appointment of Commissioners and provisions for the protection of the Commissioners from personal liability in the discharge of their functions. The Order will amend existing statutory requirements as to the Commissioners' accounts and will repeal or revoke certain statutory provisions, including the existing provisions for the appointment and co-option of Commissioners.

The proposed Order would not authorise a project.
