Including Daily UK & European Press Releases A weekly guide to statistics from ONS and new Standards published by BSI

Every day, *The London Gazette* provides a summary of official publications, from press releases to statutes. Each day includes complete listings of all official press releases together with material designed to give a different viewpoint on the activities of Government:

Monday – New Law Tracker. A weekly guide to all new legislation from Westminster including all Statutes and Statutory Instruments.

Tuesday – Statistics & Standards Tracker. A round up of the latest from the Office of National Statistics and the British Standards Institution.

Wednesday – Parliamentary Tracker. A full summary of the events in Parliament including committees and the progress of new legislation.

Thursday – European Tracker. A guide to the latest European materials including consultative documents, draft legislation, treaties, conventions and directives.

Friday – Government Tracker. All new Government publications and what's new on Government websites.

To make it easier to use, everything is put into one of eight broad categories and then further classified according to more specific subject areas.
