REVERSAL OF THE EXISTING ONE-WAY TRAFFIC SYSTEMS IN BAVENT ROAD AND VENETIAN ROAD AND CHANGES TO PARKING PLACES IN VENETIAN ROAD

Notice is hereby given that the Council of the London Borough of Lambeth, on 28th March 2001, made the Lambeth (Prescribed Routes) (No. 2) Experimental Traffic Order 2001, the Lambeth (Free Parking Places) (Disabled Persons) (No. 1) Experimental Traffic Order 2001 and the Lambeth (Camberwell) (Parking Places) (No. 1) Experimental Traffic Order 2001, under section 9 of the Road Traffic Regulation Act 1984. The Orders will come into force on 9th April 2001 and may continue for up to 18 months.

In brief, the general nature and effect of the Orders will be:

(a) to reverse the direction of the existing one-way workings for vehicles in Bavent Road and Venetian Road so that such one-way workings will apply:

- (i) in Bavent Road in a direction from south-west to north-east (towards its junction with Cadlecot Road);
- (ii) in Venetian Road in a direction from north-east to south-west (towards its junction with Cutcombe Road);

(b) to convert parts of the existing "shared use" parking places in Venetian Road into disabled persons' parking places (the disabled persons parking places would operate at any time and be available free of charge, for use by vehicles which display in the relevant position a disabled persons' "orange badge" or "blue badge", issued by a local authority).

The reversal of the one-way workings is necessary as a consequence of Bessemer Road and parts of Cutcombe Road and Caldecot Road being stopped up and ceasing to be public highway. The provision of the disabled persons' parking places is necessary to meet a known demand for this type of parking place near to Kings College Hospital.

If you have any enquiries about this matter, please telephone the Council's Highways and Transportation Group on 020 7926 1190.

Documents giving detailed particulars of the Orders, are available for inspection between 9.30 a.m. and 4.30 p.m. on Mondays to Fridays during the period from 30th March 2001 until the Orders cease to have effect, at the offices of the Transportation and Highways Group, 3rd Floor, Blue Star House, 234-244 Stockwell Road, Brixton, London SW2 9SP, between 9.30 a.m. and 4.30 p.m. on Mondays to Fridays.

The Council will be considering in due course whether the provisions of the experimental Orders should be continued in force indefinitely by means of Orders made under sections 6 and 45, 46 and 49 of the Road Traffic Regulation Act 1984. Any person may object to the making of the Orders for the purpose of such indefinite continuation within a period of six months beginning with the day on which the experimental Orders come into force or, if the Orders are varied by another Order or

modified pursuant to section 10(2) of the 1984 Act, beginning with the day on which the variation or modification or the latest variation or modification came into force. Any such objection must be in writing and must state the grounds on which it is made and be sent to Hazel Game, Transportation and Highways Group, 3rd Floor, Blue Star House, 234-244 Stockwell Road, Brixton, London SW2 9SP. Any objection may be communicated to, or be seen by, other persons who may be affected. If any person wishes to question the validity of the Orders or of any of their provisions on the grounds that it or they are not within the powers conferred by the Road Traffic Regulation Act 1984, or that any requirement of that Act or of any Instrument made under that Act has not been complied with, that person may, within 6 weeks from the date on which the Orders are made, apply for the purpose to the High Court.

Civil Aviation Authority

TRANSPORT ACT 2000

CHARGES FOR AIR SERVICES

SPECIFICATION BY THE CIVIL AVIATION AUTHORITY

THE CIVIL AVIATION AUTHORITY (EUROCONTROL CHARGES) SPECIFICATION 2001

TAKING EFFECT ON 1ST APRIL 2001

The Civil Aviation Authority ("CAA"), in exercise of the powers conferred by sections 73, 74, 75 and 78 of the Transport Act 2000^(a), hereby makes the following Specification:

Citation and commencement

1. This Specification may be cited as the Civil Aviation Authority (Eurocontrol Charges) Specification 2001 and shall take effect on 1st April 2001.

Interpretation

2.—(1) In this Specification-

"AIP" in relation to a country other than the United Kingdom means a document in force at the date of the making of this Specification, entitled "Aeronautical Information Publication" or "AIP" and published under the authority of that country;

"Eurocontrol" has the meaning given by section 24 of the Civil Aviation Act 1982^(b);

"FIR" means "Flight Information Region";

“specified airspace” means the airspace of a FIR described as set forth in columns (1) and (2) of the Schedule hereto;

“United Kingdom Air Pilot” means the document so entitled in force at the date of the making of this Specification and published under the authority of the CAA.

(2) Unless otherwise defined in this Specification and unless the context otherwise requires, expressions used in this Specification shall have the same respective meanings as in the Transport Act 2000 and the Air Navigation Order 2000^(c).

Charge to be paid to Eurocontrol

3.—(1) Subject to the provisions of this Specification the operator of any aircraft (in whatsoever State it is registered) for which chargeable air services are made available in a specified airspace shall pay to Eurocontrol, in respect of each flight by that aircraft in that airspace, a charge for those services (hereinafter referred to as “the charge”) at the appropriate rate calculated in accordance with paragraph 6 of this Specification.

(2) The operator of an aircraft shall not be required to pay any charge to Eurocontrol under this Specification in respect of a flight if he has previously paid to Eurocontrol in respect of that flight a charge of the same or a greater amount under the law of a country specified in column 1 of the Schedule hereto.

Circumstances in which charges payable by the owner

4. If Eurocontrol is unable, after taking reasonable steps, to ascertain who is the operator, it may give notice to the owner of the aircraft that it will treat him as the operator for the purposes of paragraph 3(1) until he establishes to the reasonable satisfaction of Eurocontrol that some other person is the operator; and from the time when the notice is given Eurocontrol shall be entitled, for so long as the owner is unable to establish as aforesaid that some other person is the operator, to treat the owner as if he were the operator, and for that purpose the provisions of this Specification (other than this paragraph) shall apply to the owner of the aircraft as if he were the operator.

Payment

5.—(1) The amount of the charge shall be payable to Eurocontrol at its principal office in Brussels and shall be paid in euros.

(2) The equivalent in sterling of the charge may be recovered in any court of competent jurisdiction in the United Kingdom.

(3) If the amount of the charge payable under paragraph 3(1) is not paid in cleared funds by the operator of the aircraft within 30 days of the date payment is demanded by Eurocontrol, interest calculated in accordance with sub-paragraph (4) below on the unpaid amount shall be paid from that day until the date when cleared funds are received by Eurocontrol.

(4) Interest payable under sub-paragraph (3) shall be simple interest calculated from day to day at the rate of 9.45 per cent.

(5) Nothing in this Specification shall prevent Eurocontrol from accepting as a good discharge payment other than in euros or at places other than the principal office of Eurocontrol.

Calculation of the Charge

6.—(1) The charge shall be calculated in euros according to the following formula-

$$r = N \times U$$

where *r* is the charge for the flight, *N* is the number of service units relating to that flight and *U* is the appropriate unit rate specified in column 3 of the Schedule hereto in relation to the specified airspace through which the flight is made, increased or decreased as the case may be by the same percentage as the relevant national currency has increased or decreased against the euro as compared with the rate of exchange specified in column 4 of the said Schedule in relation to that airspace.

(2) For the purpose of the preceding sub-paragraph, the number of service units relating to a flight shall be calculated in accordance with the following formula-

$$N = d \times p$$

where *d* is the distance factor for the flight in the specified airspace in question and *p* is the weight factor for the aircraft concerned.

(3) For the purposes of the preceding sub-paragraph-

(a) the distance factor shall be the number of kilometres in the great circle distance between the points specified in sub-paragraph (4) of this paragraph minus 20 kilometres for each landing and take-off in the specified airspace in question, divided by 100 and expressed to two places of decimals, and

(b) the weight factor, subject to the provisions of sub-paragraphs (6) and (7) of this paragraph, shall be equal to the square root of the quotient obtained by dividing by 50 the number of metric tonnes of the maximum total weight authorised of the aircraft and shall be expressed to two places of decimals.

(4) The points referred to in sub-paragraph (3) of this paragraph are-

(a) the aerodrome of departure within the specified airspace in question or, if there is no such aerodrome, the point of entry into that airspace; and

(b) the aerodrome of first destination within the specified airspace in question or, if there is no such aerodrome, the point of exit from that airspace.

(5) For the purposes of the preceding sub-paragraph, the point of entry into the specified airspace in question and the point of exit from that airspace shall be the points at which the lateral limits of the said airspace are crossed by the route described in the flight plan communicated by or on behalf of the operator of the aircraft either to the appropriate air traffic control unit or to the Flow Management Unit of Eurocontrol with any modifications thereto subsequently made or approved by or on behalf of the operator.

(6) Subject to sub-paragraph (7) below, the weight factor for an aircraft of any type shall be calculated by reference to the maximum total weight authorised of the heaviest aircraft of that type.

(7) Where an operator has indicated to Eurocontrol, within the period of one year immediately preceding the flight, the composition of the fleet of aircraft which he operates and which includes two or more aircraft which are different versions of the same type of aircraft, the weight factor shall be calculated by reference to the average of the maximum total weight authorised of all his aircraft of that type so indicated to Eurocontrol.

(8) For the purposes of this paragraph the rate of exchange of the euro to a national currency shall be the average monthly rate of exchange of the euro to that national currency established by Eurocontrol for the month preceding the month during which the flight takes place.

Exempt Flights

7. This Specification shall not apply to the following flights-

(a) flights by military aircraft;

(b) flights made for the purposes of search and rescue operations;

(c) flights by aircraft of which the maximum total weight authorised is 5700kg or less made entirely in accordance with the Visual Flight Rules in the Rules of the Air Regulations 1996^(d);

(d) flights terminating at the aerodrome from which the aircraft has taken off;

(e) flights other than the flights referred to in sub-paragraph (a) of this sub-paragraph made exclusively for the purpose of the carriage on official business of a reigning Monarch or his immediate family, a Head of State, a Head of Government or a Government Minister;

(f) flights made exclusively for the purpose of checking or testing equipment used or intended to be used as aids to air navigation;

(g) flights made exclusively for the purpose of the instruction or testing of flight crew within the specified airspace of the United Kingdom;

(h) flights made by aircraft of which the maximum total weight authorised is less than two metric tonnes;

(i) flights made by helicopters between any point in the United Kingdom to a vessel or an off-shore installation within the area bounded by straight lines joining successively the following points:

6300N 00500W; 632833N 000000EW; thence south along the UK Median Line to 5500N 00302E; 5500N 00100W; 5600N 00230W; 5740N 00230W; 5740N 00400W; 5830N 00400W; 5830N 00500W; 6300N 00500W;

EXPLANATORY NOTE

(This note is not part of the Specification)

The Secretary of State for the Environment, Transport and the Regions, in pursuance of tariffs approved under the Eurocontrol Convention (Cmnd. 8662) and under the Multilateral Agreement relating to Route Charges concluded at Brussels on 12th February 1981 (Cmnd. 8662) (being international agreements to which the United Kingdom is a party) has determined rates of charges, as specified in the Specification, payable to Eurocontrol in respect of chargeable air services provided for aircraft.

The unit rates in euros set out in the Schedule are calculated by reference to the costs of provision of en-route navigation services in the participating countries in the Eurocontrol charges system, the amount of traffic using each country's airspace and the relationship of each country's currency to the euro over a period agreed by Ministers of the participating countries. The interaction of these elements varies in each country. In calculating the revised charges the average of the exchange rates between the euro and the currencies of the participating countries obtaining in the month of July 2000 have been used.

The United Kingdom Air Pilot and the Foreign Aeronautical Information publications referred to in the Specification can be purchased from Documedia Limited, 37 Windsor Street, Cheltenham, Gloucestershire GL52 2DG and can be inspected at major aerodromes in the United Kingdom. The office of Eurocontrol is at Rue de la Fusée, 96 B-1130, Brussels.

Concert Communications Company

NOTICE UNDER SECTION 12(6A) OF THE TELECOMMUNICATIONS ACT 1984

MODIFICATIONS TO THE LICENCE OF CONCERT COMMUNICATIONS COMPANY

On 18th December 1996, the Secretary of State for Trade and Industry granted a licence (the "Licence") to Concert Communications Company ("Concert") under section 7 of the Telecommunications Act 1984 (the "Act") for the running of telecommunications systems specified in Annex A to the Licence.

On 27th March 2001, the Director General of Telecommunications (the "Director"), in exercise of the powers conferred on him by sections 12 and 12A of the Act, with effect from 1st October 2001, modified certain definitions set out in Schedule 1 to the Licence and modified Condition 66 of the Licence.

In accordance with section 12(6A) of the Act, the Director hereby gives notice that his reason for making the modifications is because the current interconnection charge controls were due to end on 30th September 2001.

The effect of the above-mentioned modifications will therefore be to control the charges for "prospectively competitive" interconnection services for four years beginning on 1st October 2001 and ending on 30th September 2005.

D. A. Edmonds, Director General of Telecommunications
27th March 2001. (1026)

British Telecommunications plc

NOTICE UNDER SECTION 12(6A) OF THE TELECOMMUNICATIONS ACT 1984

MODIFICATIONS TO THE LICENCE OF BRITISH TELECOMMUNICATIONS PLC

On 22nd June 1984, the Secretary of State for Trade and Industry granted a licence (the "Licence") to British Telecommunications plc ("BT") under section 7 of the Telecommunications Act 1984 (the "Act") for the running of telecommunications systems specified in Annex A to the Licence.

On 27th March 2001, the Director General of Telecommunications (the "Director"), in exercise of the powers conferred on him by sections 12 and 12A of the Act, with effect from dates specified in the instrument of modification, modified certain definitions set out in Schedule 1 to the Licence; modified Condition 69 of the Licence; modified Condition 72 of the Licence; modified Condition 73 of the Licence; replaced Condition 74A with a new Condition 74A and a new Condition 74B in the Licence.

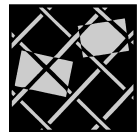

In accordance with section 12(6A) of the Act, the Director hereby gives notice that his reasons for making the modifications are because the current retail price controls and controls on analogue Private Leased Circuits were due to end on 31st July 2001; the current interconnection charge controls were due to end on 30th September 2001; and to align the controls on BT's retention for calls to BTCellnet and Vodafone with the retail price controls. Furthermore, BT has market power in the provision of the relevant services.

The effect of the above-mentioned modifications will therefore be as follows:

- (a) to extend the present retail price controls (a control on a group of services—local, national and international calls, line rental, connection and operator assistance—focused on the bottom 80 per cent of the BT's customers by expenditure set at the retail prices index less 4.5 per cent) for one year beginning on 1st August 2001 and ending on 31st July 2002;
- (b) to further control the interconnection charges of "non-competitive" and "prospectively competitive" interconnection services for four years beginning on 1st October 2001 and ending on 30th September 2005;
- (c) to extend controls on the prices for analogue Private Leased Circuits for four years beginning on 1st August 2001 and ending on 31st July 2005;
- (d) to extend the controls on BT's retention for calls to BTCellnet and Vodafone for four months beginning on 1st April 2002 and ending on 31st July 2002; and
- (e) to bring under regulatory control the charges for flat rate internet access call origination ("FRIACO") at the digital local exchange, by incorporating the charge for FRIACO at the digital local exchange into the network charge controls from October 2001.
