Environment Agency**WATER RESOURCES ACT 1991****NOTICE OF APPLICATION FOR A LICENCE TO ABSTRACT WATER**

Take notice, South West Water Limited, of Peninsula House, Rydon Lane, Exeter EX2 7HR, is applying to the Environment Agency for:

(a) a Licence to abstract water from the River Exe at National Grid Ref. SS 9348 2495 at Exebridge in the parish of Morebath in the district of Mid Devon;

(b) a variation to Abstraction Licence No. 14/50/08/0793, which is to take water from the River Taw at NGR SS 5823 2613 (Newbridge). This would enable the water transferred from the River Exe under any new licence issued to be abstracted at Newbridge.

(a) The proposal is to abstract up to 23,000 cubic metres per day with a total of 3,450,000 cubic metres per calendar year from the River Exe, via an existing intake at Sawdust Pool (NGR SS 9348 2495), near Exebridge for transfer to the River Molland Yeo; any water abstracted must have first been released from Wimbleball Reservoir for water supply and/or transfer purposes but the total amount to be released from Wimbleball Reservoir and for public water supply purposes shall not exceed 12,585,000 cubic metres per calendar year.

The abstracted water shall be transferred into the River Molland Yeo at NGR SS 8529 2597, near East Anstey. This transferred water will be primarily to support a subsequent public water supply abstraction downstream at Newbridge on the River Taw [operated in accordance with an existing valid licence 14/50/08/0793], together with up to 690,000 cubic metres per calendar year for the following uses: (i) to manage the transfer and abstraction process efficiently and (ii) for environmental purposes. The Company also undertakes to set out the operational arrangements for use of the resources made available for purpose (i) such arrangements to be agreed with the Agency.

Unless agreed in writing by the Environment Agency, the quantity of water transferred in any one calendar year for purposes (i) and (ii) above shall not exceed 25 per cent of the quantity of water actually abstracted in that same calendar year at Newbridge, which is supported by transfer water from the River Exe in accordance with the terms of relevant licences and agreed operating arrangements. The rate of transfer of the water at East Anstey shall not exceed 0.267 cubic metres per second.

The licence will expire on 31st December 2002.

This new licence would be expressed in similar terms to the previous licence 14/45/02/2480 for the abstraction at Exebridge, which expired on 1st November 2000, and which also operated in conjunction with Newbridge abstraction.

(b) The proposal is that minor administrative amendments are made to the existing licence at Newbridge, to enable its use in conjunction with

any new licence issued for Exebridge, rather than the current wording which relates to the old expired licence at Exebridge.

Substitute the appropriate condition number from any new Exebridge licence in place of "condition 4" in Condition 10.1.

Substitute the number of any new Exebridge Abstraction Licence for "14/45/02/2480" in Condition 10.1.

Substitute the number of any new Exebridge Abstraction Licence for "14/45/02/2480" in Condition 10.3.

Substitute the number of any new Exebridge Abstraction Licence for "14/45/02/2480" in the two places where this appears in Condition 10.4.

Substitute the number of any new Exebridge Abstraction Licence for "14/45/02/2480" in the four places where this appears in Condition 10.10.

Substitute the number of any new Exebridge Abstraction Licence for "14/45/02/2480" in Condition 10.14.

Delete Condition 10.15 as this action has been already completed.

A non-technical summary of the whole Schemes i.e. parts (a) and (b) is available on deposit with the application, together with supporting appendices.

A copy of the application and any map, plans and other documents submitted with it may be inspected, free of charge, at the offices of the undersigned at Peninsula House, Rydon Lane, Exeter and at the offices of Exmoor National Park Department, Exmoor House, Dulverton, Somerset and at Bishops Tawton Post Office, Bishops Tawton, at all reasonable hours between 12th April 2001 and 11th May 2001.

Any person who wishes to make representations about the application should do so in writing to the Senior Licensing Officer, of the Environment Agency, Manley House, Kestrel Way, Sowton, Exeter EX2 7LQ, before the end of the said period.
