THE HARROW (WAITING AND LOADING RESTRICTION) (AMENDMENT NO. 127) TRAFFIC ORDER 2001

THE HARROW PARKING PLACES (AMENDMENT NO. 3) TRAFFIC ORDER 2001

AMENDMENT TO EXISTING TOWN CENTRE ZONE K NEW CONTROLLED PARKING ZONE (P) ROSSLYN CRESCENT AREA

Notice is hereby given that the Council of the London Borough of Harrow, on 18th June 2001, made the above-mentioned Orders under sections 6, 45, 124 of, and Part IV of Schedule 9 to, the Road Traffic Regulation Act 1984, as amended by the Local Government Act 1985 and all other enabling powers.

2. The general effect of the Orders will be to amend part of Zone "K" and to introduce a New Controlled Parking Zone "P" (east of Station Road).

3. The Zone K amendment will be to convert some existing resident parking spaces in High Mead into dual or shared use spaces which would permit resident, resident visitor and pay and display parking.

4. The general effect of the New Controlled Zone P will be to provide a zone including Rosslyn Crescent and Froggnal Avenue where there will be provision for resident and resident visitor parking and some dual/

shared use spaces which can be used for parking by resident and visitor permit holders and pay and display parking.

5. The general effect of the Waiting and Loading Restriction (Amendment Order) will be further to amend the Harrow (Waiting and Loading Restriction) Order 1978, so that:

(a) in the length of street specified in Schedule 1 to this notice between the times specified waiting by vehicles (otherwise than for the purpose of delivering or collecting goods or loading or unloading a vehicle subject to paragraph (b) below) will be prohibited;

(b) in the lengths of streets specified in Schedule 2 to this notice between the times specified waiting by vehicles for the purpose of loading or unloading a vehicle will also be prohibited;

6. The prohibitions referred to in paragraph 5 above will not apply in respect of anything done at the direction of a police constable in uniform or with the permission of a parking attendant or other person authorised by the Council, or in certain circumstances, e.g., the picking up or setting down of passengers; the carrying out of statutory powers or duties; etc. The usual exemption relating to vehicles lawfully displaying a disabled person's "Orange/Blue Badge" would apply.

7. Generally the waiting restrictions will operate for the whole zone and provision would be made for the various parking places to replace any waiting restrictions. This would have the effect of permitting parking by permit holders or for pay and display in the appropriate marked parking bays but allow enforcement of any yellow lines in between marked bays.

8. The new dual/shared use space in High Mead near Station Road, Harrow (the only change in Zone K), will replace an existing resident space, which has also been lengthened, and will be in operation Mondays to Saturdays 8.30 a.m. to 6.30 p.m. Resident permit holders for Zone K will be permitted to stay throughout the whole period. Separate visitor permits will be required for the periods of 8.30 a.m. to 2 p.m. and 12.30 p.m. to 6.30 p.m., if all day parking is required both permits can be displayed at the same time. Pay and display will be limited to a maximum stay of 2 hours at a charge of 30p for each hour or part hour.

9. The general effect of the Parking Places (Amendment) Order will be to amend the Harrow (Parking Places) Traffic Order 2000 so as to provide in the new Zone P:

(a) parking places for residents and resident visitors in the length of roads indicated in Schedule 3 to this notice for the roads listed in Schedule 4; and

(b) dual or shared use parking spaces for resident/visitor permits and pay and display parking as indicated in Schedule 5 to this notice.

10. The times of operation of Zone P are:

(a) Mondays to Sundays between 8.30 a.m. to 8.30 p.m. for resident and visitor spaces; and

(b) Mondays to Saturdays between 8.30 a.m. to 6.30 p.m. for dual/shared use parking spaces.

11. The charges and time limits for Zone P are:

(a) £25 per year for resident permits;

(b) £15 per book of 10 visitor permits. This will be limited to a maximum of 10 books per year with only 2 books issued at one time. The charge per book would be reduced to £7.50 for residents in receipt of old age pensions;

(c) resident visitor permits would be valid from either 8.30 a.m. to 2 p.m. or 12.30 p.m. to 8.30 p.m., visitors staying on a parking place all day may display both permits at one time. Resident and visitor permits will not be required on dual/shared use bays after 6.30 p.m. Mondays to Saturdays and all day on Sundays;

(d) the pay and display charges on dual/shared use bays are: 30p for each hour or part hour up to a maximum stay of 4 hours for pay and display.

12. In accordance with a recent decision by the Council the above charges for Zone P will be increased about one month after the commencement of these Orders and a separate notice will be published giving these charges will be published after the commencement of the Controlled Parking Zone on 2nd July 2001.

13. A copy of the Orders, which will come into operation on 2nd July 2001, and of the Harrow (Waiting and Loading Restriction) Order 1978 and the Harrow Parking Places Order 2000 (and of the Orders which have previously amended those Orders) and documents giving more particulars of the Orders are available for inspection, during normal office hours on Mondays to Fridays inclusive until the end of 6 weeks from the date on which the Order was made, in the Environmental Information Centre at the address below.

14. Pipe-Lines

BHP Petroleum Limited

OFFSHORE PETROLEUM PRODUCTION AND PIPE-LINES (ASSESSMENT OF ENVIRONMENTAL EFFECTS) REGULATIONS 1999

LICENCE P 710—LICENCE HAVING EFFECT UNDER THE PETROLEUM ACT 1998

THE HAMILTON EAST FIELD

Pursuant to Regulation 5(8) of the above Regulations, the Secretary of State for Trade and Industry gives notice that, being content that the requirements of the above Regulations have been satisfied, he has, pursuant to Licence P.710, granted a consent to BHP Petroleum Limited to the getting of petroleum and the construction of installations in relation to the development of the Hamilton East gas field. The consent for the Hamilton East field took effect from 9th May 2001 and shall last until 31st December 2001.

BHP Petroleum and its partners propose to develop the Hamilton East gas field in Blocks 110/13A and 110/14B, located in Liverpool Bay. The development will comprise a single well with the gas exported by pipeline to the Hamilton North Platform, from there to the Douglas Platform and on to the Point of Ayr gas terminal on the North Wales coast. The gas will form part of the supply to the combined cycle gas turbine Power Station at Connah's Quay.

As this is a single dry gas well, the potential for significant environmental impacts are limited to drilling the well and the installation of the subsea equipment. These were identified as the risk of oil spills from fuel transfers, the discharge of mud and cuttings from water-based muds, potential interactions with fishing operations and other marine traffic and cumulative impacts. The ES and supporting documentation supports the commitment by BHP to develop the gas field in an environmentally responsible manner. The impacts from the identified hazards will be minor and for short time only, covering the drilling and installations operations. The additional gas produced will largely replace depletion from other BHP fields in the area leading to little net increase in emissions. The subsea equipment, which will have safety zone, will comprise an additional marine hazard but, as this is an area with extensive marine traffic, the addition is considered minor.

There are no trans-boundary effects anticipated and the operations will not affect any future SACs which may be identified in the location of the operations.

The Secretary of State is of the view, having regard to the environmental statement prepared in respect of the project and the comments received from those consulted, that the project is not likely to have a significant effect on the environment.
