Department for Transport, Local Government and the Regions

TRANSPORT AND WORKS ACT 1992

The Secretary of State gives notice, pursuant to section 14(1)(b), (3A) and (3AA) of the Transport and Works Act 1992 ("the Act"), that he has determined, under section 13(1) of the Act, to make with modifications the Railtrack (Shortlands Junction) Order 2001 ("the Order").

The Order was applied for by Railtrack PLC, Railtrack House, Euston Square, London NW1 2EE.

The Order will authorise the re-alignment and grade separation of railway tracks at Shortlands Junction in the London Borough of Bromley, including compulsory acquisition powers in respect of land required for the works.

Before making his determination, the Secretary of State considered the environmental statement submitted with the application for the Order. He complied with the obligations under section 10 of the Act in relation to all objections which related to the environmental statement.

The Secretary of State is required, by section 14(3AA) of the TWA, to describe the measures to be taken to avoid, reduce and, if possible, remedy any major adverse environmental effects. In this respect, he considers that there are some environmental effects of the scheme which would be likely to have a major adverse impact if they were not to be mitigated. In his view, the adverse effect of the loss of trees would be major if not mitigated. He notes, in this respect, that Railtrack have proposed a number of planning conditions designed to ensure that as many trees as possible are preserved, that measures are taken to protect

the trees that are retained, and that replacements are provided for any trees that are to be felled, such replacements to be of a size, species and in a location to be approved by the local planning authority.

The Secretary of State also considers that the adverse impact from construction noise would be major, if not mitigated. In this regard, he notes that Railtrack have undertaken to seek consents from the London Borough of Bromley, under section 61 of the Control of Pollution Act 1974, requiring them to use best practicable means on site to minimise noise levels; and that where the Council consider that excessive noise levels will nevertheless occur, mitigation measures such as noise insulation, the provision of screens, temporary re-housing or other appropriate measures are to be agreed with the Council and offered to affected parties.

Copies of the Order (once made) may be obtained from The Stationery Office Limited or through booksellers.

The proposed Order will require an improvement of areas of highway land and the provision of a new highway maintainable at the public expense for which Birmingham City Council will be the local highway authority.

The proposed Order will provide that the stopping-up must not be carried out until the developer has provided new highway and that highway shall be maintainable at the public expense for which Birmingham City Council will be the local highway authority.

Copies of the draft Order and relevant plan may be inspected, at all reasonable hours during 28 days commencing on 26th June 2001, at the offices of Sutton Coldfield Neighbourhood Office, The Council House, King Edwards Square, Sutton Coldfield B73 6AP and may be obtained, free of charge, from the Government Office for the West Midlands (quoting Ref. 5104/35/1/166) at the address stated below.

Any person may object to the making of the proposed Order, within the period of 28 days commencing on 26th June 2001, by notice to the Secretary of State for the Environment, Transport and the Regions, quoting the above reference, at the Government Office for the West Midlands, Local Government Division, 77 Paradise Circus, Queensway, Birmingham B1 2DT.
