PLANNING (LISTED BUILDINGS & CONSERVATION AREAS) ACT 1990 (AS AMENDED)

Notice is hereby given that Lambeth Borough Council, in pursuance of powers under section 69 of the Planning (Listed Buildings & Conservation Areas) Act 1990 (as amended), made the following amendments to the boundary of the Larkhall Conservation Area (CA No. 14) on 30th May 2001:

(i) An extension of the Conservation Area to include the Angell Arms on Binfield Road.

This review accords with guidelines contained within Planning Policy Guidance on the Historic Environment (PPG15) and section 69 of the Planning (Listed Buildings & Conservation Areas) Act, which latter requires local planning authorities to review their historic areas from time to time to consider whether further new or extended conservation areas or de-designations are called for. The objective of designation is to preserve or enhance the character or appearance of areas of special architectural or historic interest. This designation means that demolition of certain buildings is brought within conservation area control and consent must first be sought from the planning authority; that it becomes an offence to cut down, lop or carry out any other works to certain trees within the area without proper consent from the planning authority; and that planning applications for development which, in the opinion of the planning authority, would affect the character or appearance of the conservation area, must be advertised. A plan showing the areas subject to these designations is available for public inspection at the Town Planning Advice Centre, 10 Acre Lane, Brixton, London SW2 5LL (opening hours 9.30 a.m. to 4.30 p.m.).
