WATER INDUSTRY ACT 1991, SECTION 13

PROPOSALS BY THE DIRECTOR GENERAL OF WATER SERVICES FOR THE MODIFICATION OF THE CONDITIONS OF APPOINTMENT OF DŴR CYMRU CYFYNGEDIG, NORTHUMBRIAN WATER LTD, SEVERN TRENT WATER LTD, SOUTHERN WATER SERVICES LTD, WESSEX WATER SERVICES LTD, BRISTOL WATER PLC, CAMBRIDGE WATER PLC, DEE VALLEY WATER PLC, SOUTH STAFFORDSHIRE WATER PLC, CHOLDERTON AND DISTRICT WATER COMPANY LTD

The process

This notice seeks responses to the proposed modifications described below. Any representations or objections must be sent in writing to the Director General of Water Services (the Director), Centre City Tower, 7 Hill Street, Birmingham B5 4UA (fax, 0121-625 3606 or e-mail allan.merry@ofwat.gsi.gov.uk) to be received by 5.00 pm on Monday 17 September 2001. Please quote reference LEG/31/1/2.

Description of the proposed modification

Each of DŴr Cymru Cyfyngedig, Northumbrian Water Ltd, Severn Trent Water Ltd, Southern Water Services Ltd, Wessex Water Services Ltd, Bristol Water plc, Cambridge Water plc, Dee Valley Water plc, South Staffordshire Water plc, Cholderton and District Water Company Ltd ("the companies") holds an Appointment as a water (or water and sewerage) undertaker.

Each water company's licence allows for price limits to be set by the Director for each year at five-yearly Periodic Reviews. There is also a provision for price limits to be reset between Periodic Reviews in defined circumstances, for example, a new legal requirement. The proposal is for the insertion of a clause into each company's licence, allowing for price limits to be reset between Periodic Reviews if the regulated business:

suffers a substantial adverse effect, which could not have been avoided by prudent management action; or
enjoys a substantial favourable effect, which is fortuitous and not attributable to prudent management action.

In this context, "substantial" is quantified as an effect of at least 20 per cent of the previous year's turnover (calculated as the Net Present Value (NPV) of the change in operating costs measured over a 15-year period, or the NPV of the change in capital costs in the period remaining until the next Periodic Review). What constitutes "prudent management action" will be assessed by the Director by reference to the circumstances which were known or which ought reasonably to have been known to the Appointee at the relevant time.

This clause, commonly known as the "shipwreck clause" was, in its original form, included in all companies' licences at privatisation. However, it only applied when the Company suffered an adverse effect. Before the 1994 Periodic Review all companies (except Cholderton & District Water Company) either had the clause removed from their licences, or had this version inserted. Each of the companies to which this notice relates (except Cholderton), chose to have the clause removed at that time, but have now agreed to have the revised clause inserted in their licences.

Cholderton retained the clause in its original form when it was removed from other companies' licences. It is proposed that the original clause is replaced with the revised version which is described in this notice. Cholderton has agreed to this change.

Reasons for making the modifications

The Director believes that greater consistency between companies' licence conditions is in the interests of all stakeholders. This modification will remove one of the inconsistencies between companies. It has also been suggested that the inclusion of the clause may provide more certainty for investors in the industry, and could therefore allow companies to raise money at a lower cost. The Director believes that if the inclusion of the clause allows companies to access the capital markets on more favourable terms than making the modification would be in the interests of customers. It may also allow customers to benefit if a Company enjoys a substantial windfall.
