M5 JUNCTION 12

TEMPORARY TRAFFIC RESTRICTIONS

Notice is hereby given that the Secretary of State for Transport, Local Government and the Regions intends to make an Order on the M5 motorway and slip roads at Junction 12 in the district of Stroud in the County of Gloucestershire under sections 14(1) (a) and (b), 14(7), 15(2) and 122A of, and paragraph 27(1) of Schedule 9 to, the Road Traffic Regulation Act 1984 because works are proposed to be executed on the road.

The effect of the Order would be to authorise at various times throughout the works period, at M5 Junction 12, the following:

(a) a 50 mph speed limit on the main carriageway of the M5 motorway between marker posts 9515 to 9912 and on all the slip roads;

- (b) the closure of the northbound carriageway of the M5 motorway between marker posts 9811 and 9610 and the running of a contraflow system on the same length of southbound carriageway;
- (c) the closure of the southbound carriageway of the M5 motorway between marker posts 9610 and 9811 and the running of a contraflow system on the same length of northbound carriageway;
- (d) the closure of the northbound exit slip road;
- (e) the closure of the southbound entry slip road;
- (f) the prohibition of wide vehicles (over 13 feet in width) through the works unless escorted by the police from marker post 98/6 northbound and marker post 92/0 southbound;
- (g) the restriction of heavy goods vehicles (over 7.5 tonnes) to the inside lane or hard shoulder through the contraflow systems at (b) and (c) above; and
- (h) the imposition of a 3 tonne weight limit on the southbound entry slip road, and the revocation of an existing Order imposing the same restriction.

There would also be lane closures, hard shoulder closures and hard shoulder running.

These measures would be in the interests of road safety while contractors carry out the demolition of the existing B4008 and slip road overbridges and the construction of a new B4008 overbridge and northbound and southbound entry and exit slip roads.

The Order would come into force on 1 October 2001, and continue until the works are complete. It is expected that the work will be completed by March 2003. During the closure of the northbound carriageway (at (b) above), northbound traffic would be diverted to run either on the northbound hard shoulder, the existing and/or new temporary northbound exit and entry slip roads (when completed), or in contraflow on the southbound carriageway. During the closure of the southbound carriageway (at (c) above), southbound traffic would be diverted to run either on the southbound hard shoulder, the existing and/or new temporary southbound exit and entry slip roads (when completed), or in contraflow on the northbound carriageway. The diversion routes used would depend on the stage the works have reached.

During the closure of the northbound exit slip road (at (d) above), northbound traffic wishing to leave the M5 at Junction 12 would be diverted at M5 Junction 13 onto the A419 westwards then the A38 northwards to the junction of the B4008 at Hardwicke. During the closure of the southbound entry slip road (at (e) above), southbound traffic wishing to join the M5 at Junction 12 would be diverted at the junction of the B4008 at Hardwicke to continue southwards along the A38 then eastwards on the A419 to join the M5 at Junction 13. Southbound vehicles over 3 tonnes in weight prohibited from using the southbound entry slip road (at (h) above), would also be diverted along the same route.

The lane, hard shoulder, carriageway and slip road closures, contraflow systems, diversion routes, hard shoulder running, vehicle width and weight restrictions and temporary mandatory speed restrictions would all be clearly indicated by traffic signs throughout the works period. (Gloucestershire County Council will also be making an Order in respect of the closure of the B4008 at Junction 12 as required during the works period).

General enquiries relating to this notice may be made in writing to Peter Bartlett, the Project Sponsor, at the Highways Agency, Temple Quay House, 2 The Square, Temple Quay, Bristol BS1 6HA, or by telephoning 0117 3728244.
