Durham County Council

THE COUNTY COUNCIL OF DURHAM (MARKET PLACE LEADING TO SADDLER STREET, DURHAM CITY) (ROAD USER CHARGING SCHEME) ORDER

Notice is hereby given that Durham County Council, subject to the confirmation of the Secretary of State for Transport Local Government and the Regions, and after consultation with the appropriate persons in accordance with the provisions of The Transport Act 2000, propose to make an Order under Chapters I and III of Part III of the said Act.

The proposed Order would require motor vehicles (Except those falling within certain exemptions set out in the Order) proceeding in Market Place and Saddler Street, Durham City, between 10.00 am and 4.00 pm (Monday to Saturday, excluding Bank Holidays and Public Holidays) to pay a charge of £2 when exiting from Saddler Street.

The exit charge of £2 would initially be for one year but may be subject to an annual increase, which would be no more than 10 per cent per annum above the Retail Price Index as at 1 April of that year and subject to such

annual increases would not exceed £10. Any increase would be advertised in the local press 28 days in advance of its implementation. The exit charge would be payable initially between 10.00 am and 4.00 pm (Monday to Saturday, excluding Bank Holidays and Public Holidays) but may be subject to a variation of those hours up to a maximum of two hours either side of the period quoted as the Council may consider appropriate.

Any vehicle contravening the provisions of the Order would be subject to an excess charge of £30.

A restricted number of Exemption Permits (without charge) would be available for residents, occupiers of premises and other category of vehicular owners, a full list of which is provided within the draft Order. Other vehicles would be exempt including mopeds, and emergency vehicles. Disabled Persons Vehicles would also be exempt. Full details of the proposal are contained in the draft Order which, together with a plan, may be inspected at the Library South Street, Durham City and Room 1/14, County Hall, Durham, during reasonable hours.

Nature and Effect Statement

The proposed scheme aims to deliver measures to reduce traffic in the Market Place and Saddler Street, Durham City. It will address the increasing occurrence of conflict arising from traffic and pedestrians wishing to gain access to Durham's Market Place and Historic Peninsula. A reduction in volumes of vehicular traffic will result in an improved environment for pedestrians, mobility impaired and public transport users. The scheme also aims to reduce the volume of freight

traffic at peak periods which, in turn, will result in safety and environmental improvements.

The five overarching aims for transport policy have been set out by Central Government and adopted in the Durham County Council Local Transport Plan.

Economic
Accessibility
Environmental
Safety and Health
Integration

It is considered that the specific scheme objectives encompass the overall objectives of the Local Transport Plan.

Specific Scheme Objectives

Improve accessibility: to ensure that all sectors of the community have adequate access to employment opportunities and social facilities, particularly for problems of disadvantaged groups, including the unemployed, elderly, young people and people with disabilities;

Reduce demand for travel by private car: to ensure that safe, effective and competitive alternatives to the car are available and to reduce the reliance on the private car for journeys to/from and within the Durham City area;

Maintain the Historic Character: to provide access for visitors but to protect the City's historic character from the adverse impacts of traffic;

Local Amenity: to minimise the impact of transport on the amenity of local residents;

Improve Safety: to improve the overall safety by specific measures and the encouragement of safe travel modes;

Sustainability: to provide levels of mobility and accessibility which are compatible with sustaining the quality of life and quality of the environment in future years in accordance with Local Agenda 21;

Freight Transport: to maintain an efficient transport system but to reduce the impact of goods vehicles.

Statement on Use of Revenue

The proposed scheme would generate revenue collected from members of the public electing to meet the £2 charge. This revenue will be directed to funding the operation and administration of the scheme. Once the operation and administration of the scheme has been paid for, any surplus revenue will be used to subsidise the Durham City Shopmobility scheme and improved public transport provision (Low Floor Bus operation).

Any person wishing to make representations to the proposed Order should send them in writing to the undersigned by 1 December 2001.

Any representations duly received will be forwarded, along with all the other documents, when the Order is submitted to the Secretary of State for confirmation.
