Objectors are reminded that the substance of any objection or representation may be communicated to other people who may be affected by it; that it will be passed to the Inspector holding the inquiries and that he may be required to disclose at the inquiries the objection or representation and, unless there are special reasons to the contrary, the identity of the author.

The Secretary of State for Transport, Local Government and the Regions hereby directs that any person who intends at the inquiries to submit:

(a) that any highway or proposed highway to which the draft Orders relates should follow an alternative route, or

(b) that instead of improving, diverting or altering a highway to which the draft Orders relates, a new highway should be constructed on a particular route,
