Department for Transport, Local Government and the Regions

TRANSPORT AND WORKS ACT 1992

The Secretary of State for Transport, Local Government and the Regions gives notice pursuant to section 14(1)(b), (3A) and (3AA) of the Transport and Works Act 1992 ("the Act") that he has determined under section 13(1) of the Act to make with modifications the River Thames (Hungerford Footbridges) (Variation) Order 2001 ("the Order").

The Order was applied for by the Lord Mayor and Citizens of the City of Westminster, Westminster City Hall, 64 Victoria Street, London SW1E 6QP.

The Order will vary the River Thames (Hungerford Footbridges) Order 1999 ("the principal Order") which authorised the construction of two new footbridges on either side of the Hungerford Railway Bridgeling Charing Cross and the South Bank. The Order will authorise:

the relocation and re-design of the supporting pylons of the footbridges from the Middlesex Pier of the Hungerford Railway Bridge to Victoria Embankment;

an increase in the height of those pylons by up to 8.675 metres above that authorised by the principal Order; and consequential changes to the areas of public highway to be stopped up and adjustments to kerblines in Victoria Embankment and Northumberland Avenue.

Before making this determination, the Secretary of State considered the environmental statement submitted with the application. There were no objections or representations relating to the environmental statement. He is content that proposals to mitigate the potential environmental impacts are sufficient and confirms that none of the impacts of the proposed works would have major adverse environmental effects. Copies of the Order (once made) may be obtained from the Stationery Office Limited or through booksellers.

A Gray, Head of Planning Division 5, Department for Transport, Local Government and the Regions, Eland House, Bressenden Place, London SW1E 5DU.
