## **Transport Acts**

### ***Department of the Environment, Transport and the Regions***

#### **TRANSPORT AND WORKS ACT 1992**

The Secretary of State for the Environment, Transport and the Regions gives notice, pursuant to section 14(1)(b), (3A) and (3AA) of the Transport and Works Act 1992 ("the Act"), that he has determined under section 13(1) of the Act to make with modifications the proposed Bitton Railway Order 2001 ("the Order"). The Order was applied for by the Bitton Railway Company Limited, Bitton Railway Station, Willsbridge, Bristol BS30 9YZ.

The Order will grant powers for an extension of the standard gauge heritage railway by 380 metres and for other miscellaneous matters. About 150 metres of the extension would be single track with the remainder being a terminus with a passenger platform and a run round loop.

A second platform would be provided to accommodate the Bristol to Bath Railway Path, used by pedestrians and cyclists, which is located alongside the proposed railway extension. Planning permission has already been granted for the extension and platforms.

Before making his determination, the Secretary of State considered the environmental statement submitted with the application for the Order. He complied with the obligations under section 10 of the Act in relation to all objections which related to the environmental statement and confirms that there were no representations (other than objections) which related to the environmental statement. He is satisfied that the works authorised by the Order will have no major adverse environmental effects. He is also satisfied that the scheme will benefit the area both in terms of promoting non-car access to the Avon Valley Country Park and the River Avon, and by enhancing an already established leisure attraction outside the main tourist centre of Bath and

Bristol. The Secretary of State has therefore concluded that it is in the public interest to make the Order. Copies of the Order (once made) may be obtained from the Stationery Office Limited or through booksellers.

A Gray, Head of Planning Division 5
