## **Transport Acts**

### **Department for Transport, Local Government and the Regions**

#### **TRANSPORT AND WORKS ACT 1992**

The Secretary of State for Transport, Local Government and the Regions gives notice pursuant to section 14(1)(b), (3A) and (3AA) of the Transport and Works Act 1992 ("the Act") that he has determined under section 13(1) of the Act to make with modifications the proposed Bitton Railway Order 2001 ("the Order").

The Order was applied for by the Bitton Railway Company Limited, Bitton Railway Station, Willsbridge, Bristol BS30 9YZ.

The Order will grant powers for an extension of the standard gauge heritage railway by 380 metres and for other miscellaneous matters. About 150 metres of the extension would be single track with the

remainder being a terminus with a passenger platform and a run round loop. A second platform would be provided to accommodate the Bristol to Bath Railway Path, used by pedestrians and cyclists, which is located alongside the proposed railway extension. Planning permission has already been granted for the extension and platforms.

Before making his determination, the Secretary of State considered the environmental statement submitted with the application for the Order. He complied with the obligations under section 10 of the Act in relation to all objections which related to the environmental statement and confirms that there were no representations (other than objections) which related to the environmental statement. He is satisfied that the works authorised by the Order will have no major adverse environmental effects. He is also satisfied that the scheme will benefit the area both in terms of promoting non-car access to the Avon Valley Country Park and the River Avon, and by enhancing an already established leisure attraction outside the main tourist centres of Bath and Bristol. The Secretary of State has therefore concluded that it is in the public interest to make the Order.

Copies of the Order (once made) may be obtained from The Stationery Office Limited or through booksellers.

**Tendring District Council****PLANNING (LISTED BUILDINGS AND CONSERVATION AREAS) ACT 1990****DESIGNATION AS A CONSERVATION AREA UNDER SECTION 69 OF THE ACT**

Notice is given that Tendring District Council have made a Designation under section 69 of the Planning (Listed Buildings and Conservation Areas) Act 1990 (the Act). The Designation was made on 4 December 2001.

The Designation applies to the area at Clacton-on-Sea, Essex, described in the Schedule below.

One important effect of the Designation is that (save only for the exceptions specified in section 75 of the Act) section 74 of the Act prohibits the demolition of any building in a conservation area without the prior consent of the local planning authority (Tendring District Council) or the Secretary of State for Transport, Local Government and the Regions. It is an offence punishable by fine or imprisonment, or both, to fail to obtain consent. 4. In the opinion of the Director, the proposed modification of the PTO licences is deregulatory within the meaning of section 12A(7) of the Act for the reasons set out in the Schedule below.

5. The Director is seeking comments on the proposed modification to the PTO licences. Interested parties have 28 days from the day after publication of this notice to make representations on the proposed modification. There will be no further period for interested parties to make comments on any representations made during the above-mentioned period. In accordance with section 12(6D) of the Act, representations made against the proposed modification shall be taken to constitute an objection only if they are accompanied by a written statement that they are to be so taken.

6. Representations on or objections to the proposed modification may be made to Selina Chadha, OfTel, 50 Ludgate Hill, London EC4M 7JJ (telephone 020-7634 5307, e-mail [selina.chadha@oftel.gov.uk](mailto:selina.chadha@oftel.gov.uk)) by no later than 18 February 2002.

7. Any confidential information should be clearly marked as such and separated out into a confidential annex. All representations received by OfTel, with the exception of material marked confidential, will be made available for inspection in OfTel's Research and Intelligence Unit and may be published.

8. The Director is required by section 12(2) of the Act to consider any representations or objections on the proposed modifications duly made and not withdrawn. Subject to such consideration, the Director proposes to make the modifications as soon as practicable after the statutory consultation has been completed.

9. Copies of the proposed modifications and a full list of licences affected can be obtained from Gabrielle Dakhama, OfTel, 50 Ludgate Hill, London EC4M 7JJ (telephone 020-7634 8735, e-mail [gabrielle.dakhama@oftel.gov.uk](mailto:gabrielle.dakhama@oftel.gov.uk)).

#### SCHEDULE

1. The words "in writing" in Condition 17.2(a) are to be deleted.

2. In its present form, Condition 17 prohibits the use of ACE where the resultant call does not consist of live speech, unless written consent has been obtained from the recipient of the call.

3. The effect of the modification is that Licensees will no longer have to obtain consent in writing.

4. The Director considers that requiring consent to be obtained in writing is inhibiting the development and launch of new products and services that could offer benefits to consumers. The retention of the requirement to obtain consent will ensure that consumers remain adequately protected. However, removing the requirement for this consent to be obtained in writing will allow more products and services using ACE to be provided that will enable consumers to receive the benefit of automated services should they wish to. This is in line with OfTel's long term strategy of ensuring that regulation is kept to the minimum necessary to obtain the appropriate outcome.

5. The Director considers this amendment to be deregulatory for the following reasons:

(i) In its present form, Condition 17 imposes a burden on licensees by prohibiting the use of ACE where the resultant call does not consist of live speech, unless written consent has been obtained from the recipient of the call;

(ii) the proposed modification reduces this burden by removing the requirement that consent be obtained in writing. It does not remove any necessary protection as the retention of the requirement to obtain consent, albeit not in writing, will ensure adequate consumer protection; and

(iii) the modification will not unduly disadvantage any person holding a licence granted under section 7 of the Act to a particular person as the proposed modification will apply to all licence holders which have been designated under section 9 of the Act as having public telecommunications systems. ### Director General of Telecommunications

#### NOTICE UNDER SECTION 12(2) OF THE TELECOMMUNICATIONS ACT 1984

#### PROPOSED MODIFICATION TO ALL PUBLIC TELECOMMUNICATIONS OPERATOR LICENCES

1. The Director General of Telecommunications (the "Director"), in accordance with section 12(2) of the Telecommunications Act 1984 as amended by the Electronic Communications Act 2000 (the "Act"), hereby gives notice that he proposes to make a modification to all licences granted during the period beginning 22 June 1984 and ending on 18 January 2002 under section 7 of the Act to particular persons which the Secretary of State has designated by Order under section 9 of the Act as having public telecommunications systems, collectively referred to hereinafter as the "PTO licences".

2. Both the effect of and the reason for the proposed modification are set out in the Schedule below. They have been detailed in full in the Consultation Document of June 2001 entitled "Use of automatic calling equipment review". The full text of the proposed modification is set out in Annex B to OfTel's Statement of January 2002. Both documents are available through the OfTel website at [www.oftel.gov.uk](http://www.oftel.gov.uk).

3. Section 12A(7) of the Act provides that a modification is deregulatory if:

- the effect of the conditions to be modified is to impose a burden affecting the holder of the licence in which those conditions are included;
- the modification would remove or reduce the burden without removing any necessary protection; and
- the modification is such that no person holding a licence granted under section 7 of the Act to a particular person would be unduly disadvantaged by the modification in competing with the holder of the licence in which those conditions are included.
