NOTICE UNDER SECTION 11 OF THE ELECTRICITY ACT 1989

The Gas and Electricity Markets Authority ("the Authority"), pursuant to section 11 of the Electricity Act 1989 ("the Act"), hereby gives notice as follows:

(i) In relation to the standard conditions of the electricity distribution licence which has been granted to East Midlands Electricity Distribution plc under section 6(1)(c) of the Act (hereinafter a "distribution licence"), the Authority proposes to modify Paragraph 1 of Condition 39.

(ii) The Authority proposes to make this modification in recognition of the fact that East Midlands Electricity Distribution plc is an indirect subsidiary of a Company, Powergen UK plc, that holds gas and electricity supply licences and a shipper's licence. These licences were owned by Powergen UK plc prior to its acquisition of East Midlands Electricity plc, and as such were the subject of licensing schemes under the provisions of the Utilities Act 2000, but not of a transfer scheme.

In summary, the effect of the licence modification will be to allow information to be passed to a Company owning a supply or shipper's licence, but to prevent access to that information by a supply or shipping business. The modification would take effect from 1 April 2002 and will

be further to the modifications to distribution standard condition 39 proposed to take effect on this date for all distribution licensees.
Any representations or objections to the proposed modifications may be made on or before 27 March 2002 to the Authority, Ofgem, 9 Millbank, London SW1P 3GE.

J Neilson, authorised on behalf of the Authority
