Water Industry

Portsmouth Water plc

WATER INDUSTRY ACT 1991, SECTION 13, PROPOSALS BY THE DIRECTOR GENERAL OF WATER SERVICES FOR THE MODIFICATION OF THE CONDITIONS OF APPOINTMENT OF PORTSMOUTH WATER PLC AS A WATER UNDERTAKER

The process

Any representations about, or objections to, these proposals must be sent in writing to the Director General of Water Services, Centre City Tower, 7 Hill Street, Birmingham B5 4UA (fax 0121-625 3606 or e-mail allan.merry@ofwat.gsi.gov.uk), to be received no later than 5.00 pm on 11 April 2002. Please quote Ref LEG 34/2/14.

The proposed modifications and the reasons for them

Brockhampton Holdings plc, the owner of the regulated water company Portsmouth Water plc (Portsmouth Water) was recently acquired by South Downs Ltd, a subsidiary of South Downs Capital. Finance for the acquisition has been provided by Royal Bank of Scotland, whose subsidiary Drummond Capital has a 45% shareholding in South Downs Capital.

Whenever such acquisitions occur, the Director General of Water Services (the Director) seeks modifications to the Company's conditions of appointment (its licence). These modifications are designed to ensure that the water company is properly ring-fenced, that its management act solely in the interests of the water company and that the new owner gives a legal commitment to facilitate the proper performance of the water company's functions.

Portsmouth Water has consented to the making of these modifications.

Ring-fencing of Portsmouth Water

The Director wishes to ensure that Portsmouth Water's regulated business is ring-fenced from the other activities of South Downs Capital (the Group). Portsmouth Water (the Company) must not, whether through its involvement in those other activities or by its dividend policy, put at risk its ability either to carry out its functions as a water undertaker or to finance them. Licence modifications with therefore:

- (1) prohibit the transfer of any asset from the Company to any Associated Company except with the Director's consent;
- (2) prohibit the Company from giving a guarantee of any liability or making any loan to any other company within the Group;
- (3) prohibit the Company from entering into or continuing any commitment which includes a 'cross-default obligation' (whereby the Company's financial liabilities are increased or accelerated because of a default elsewhere within the Group);
- (4) require the Company to maintain an investment-grade corporate credit rating;
- (5) require the Company to pay dividends only in accordance with a dividend policy which has been approved by its Board and will, in the opinion of the Director, not impair its ability to finance its functions.

The Directors of the Company are already required to certify annually to the Director that the Company has adequate financial and management resources. Further modifications will therefore require:

(6) (i) the Company to inform the Director if the Board believes that any circumstances might mean that its most recent certificate could not be repeated;

(ii) the annual certificate to be accompanied by a report to the Director from the Company's Auditors, detailing any inconsistencies between the certificate and the statements submitted with it or the findings of their own audit;

(iii) the Directors to record their opinion that any contracts with Associated Companies include all provisions necessary for the Company to meet its obligations as a water undertaker.

Management of Portsmouth Water

Although the Company is a subsidiary, it has its own duties as the water undertaker for its area. A further licence modification will:

(7) require the company, in carrying out those functions, to behave as if they were substantially its sole business and it were a separate public limited company. In doing so it will be required to have particular regard to the following:

(i) the composition of the Board should allow it to act independently of the parent company or controlling shareholder, and exclusively in the interests of the Company;

(ii) the Board must ensure that each of its directors discloses any conflicts of interests between their duties to the Company and other duties, both to the Board and to the Director;

(iii) where potential conflicts exist between the interests of the Company and other companies in the Group, the Board must ensure that it has regard exclusively to its interests as a water undertaker;

(iv) no director of the Company should vote on any matter where he has an interest by virtue of the other directorships;

(v) the Company should inform the Director of any important changes in the composition of the Board or the responsibilities of any director;

(vi) the principles of corporate governance which are from time to time recognised by the Listing Rules of the Financial Services Authority.

(8) A further licence modification will require the Company to publish the financial information that would be required, if it was subject to the Listing Rules of the Financial Services Authority.

Maintenance of comparisons with other water undertakers

The Director considers that Portsmouth Water's core business should be as transparent to regulation as are the water undertakings of small independent companies that are not part of any similar group structure. To that end, the Director proposes modifications of Portsmouth Water's licence, which will require it to operate at arm's length from its Group. The modifications will:

(9)(i) ensure that payment for any services provided by any Associated Company does not exceed prices obtained by market testing, or where this is not appropriate, an appropriate proportion of the Associated Company's costs, as agreed by the Director;

(ii) require the Company to obtain from the Associated Company information required by the Director about the latter's costs.

The role of the Company's owners

The Company should have the active co-operation of its owners in carrying out its functions as a water undertaker and complying with the conditions of its Appointment. Further modifications will:

(10) (i) require the Company to obtain from South Downs Limited, South Downs Capital and Royal Bank Investments Ltd, legally-enforceable Undertakings, applicable to all other Companies in the group, that each of them will:

(a) give the Company all information it requires to comply with its licence;

(b) refrain from any action which would be likely to cause or require the Company to breach any of its obligations under the Water Industry Act 1991, or its licence as a water undertaker;

(c) ensure that the Company's Board contains not less than three independent non-executive Directors;

(ii) require the Company to inform the Director immediately in writing, if it becomes aware that the undertaking has ceased to be legally-enforceable, or that there has been any breach of its terms; and

(11) prohibit the Company (except with the Director's consent) from making any contract with a member of the Group which is not one of the Company's subsidiaries, for so long as the above undertakings have not been given or there is an unremedied breach of any of them.

Other modifications

Earlier this year Ofwat consulted on the inclusion of a revised, symmetrical version of the so-called 'shipwreck clause' in all Companies' licences. Portsmouth Water chose not to have the clause at that stage but has now agreed to have it inserted in its licence.

(10) This modification allows for price limits to be reset between Periodic Reviews if the regulated business:

suffers a substantial adverse effect, which could not have been avoided by prudent management action; or
enjoys a substantial favourable effect, which is fortuitous and not attributable to prudent management action.

In this context, "substantial" is quantified as an effect equivalent to at least 20% of the previous year's turnover. The effect is calculated as the Net Present Value (NPV) of the change in operating costs measured over a 15-year period, or the NPV of the change in capital costs in the period remaining until the next Periodic Review. The Director will assess what constitutes "prudent management action" by reference to the circumstances which were known or which ought reasonably to have been known to the Company at the relevant time.
