Environment Agency—Thames Region**WATER RESOURCES ACT 1991****NOTICE OF APPLICATION FOR VARIATION OF A LICENCE TO ABSTRACT WATER**

Notice is hereby given that an application is being made to the Environment Agency, Thames Region by Thames Water Utilities Ltd, Clearwater Court, Vastern Road, Reading, Berkshire RG1 8DB, to vary a licence to abstract water from the River Thames at Farmoor, Oxfordshire, at National Grid Refs SP 439 064, SP 443 085 and SP 477 102. The proposal is also to simultaneously transfer the volumes from the licences for abstraction at Worsham, Oxfordshire, at National Grid Ref SP 310 106, to the Farmoor licence and to revoke the Worsham licences.

This licence variation is necessary because Worsham WTW is to be closed and the licence volumes from Worsham are to be transferred on to the Farmoor licences. The application is to vary the main Farmoor licence, serial No 28/39/16/60, in order to rationalise all the licences at Farmoor into one single licence and to add the volumes from the Worsham licences, serial Nos 28/39/10/40 and 28/39/10/131, to the varied Farmoor licence. At the same time it is proposed that the Worsham licences will be revoked as they will no longer be used. The quantities applied for are 55,312,256 cubic metres per year; 300,042 cubic metres per day, 12,502 cubic metres per hour. The water will be used for public water supply in the North Oxfordshire and Swindon areas. There will be no increase to the amount of water that is licensed for abstraction as a result of this proposal.

A copy of the applications and of any maps, plans or other documents submitted with them may be inspected, free of charge, at Farmoor Visitor Centre, Cumnor Road, Farmoor, Oxfordshire OX2 9NS, at all reasonable hours during the period beginning Friday 17 May 2002 and ending on Monday 17 June 2002.

Any person who wishes to make representations about the application should do so in writing to the Groundwater & Licensing Manager, Environment Agency—Thames Region, Kings Meadow House, Kings Meadow Road, Reading, Berkshire RG1 8DQ, before the end of the said period.

Water Industry**Environment Agency****WATER INDUSTRY ACT 1991, SECTION 166****NOTICE OF APPLICATION FOR CONSENT**

Notice is hereby given that an application has been made to the Environment Agency by Yorkshire Water Services Limited, Western House, Halifax Road, Bradford BD6 2SZ, for a temporary consent to discharge up to 200,000 cubic metres per day of water to facilitate reservoir safety work from Lindley Wood Dam, Otley, West Yorkshire, into the River Washburn at National Grid Ref SE 2205 4857.

Work at Lindley Wood dam requires the reservoir level to be held down to avoid flooding an excavation and carry out the work safely. The water level normally falls through the summer through releases of reservoir water to the river but it may be necessary to discharge extra water at times. This would be done through the existing pipework, and the rate will depend on rainfall and reservoir level. If required, the discharge will be made at a steady rate of up to 200,000 cubic metres per day.

Any person who wishes to make representations with respect to the application should do so in writing to the Environment Agency, Coverdale House, Aviator Court, Clifton Moor, York YO30 4GZ, for the attention of Mr P A Stevenson, quoting the Ref No 27/20/0090, not later than 5 June 2002.

A copy of the application may be inspected, free of charge, at the local Environment Agency offices at Coverdale House, Aviator Court, Clifton Moor, York YO30 4GZ, on weekdays between 9.00 am and 5.00 pm up to 5 June 2002.

Post & Telecom

Oftel

NOTICE UNDER SECTION 12(6A) OF THE TELECOMMUNICATIONS ACT 1984

MODIFICATION TO ALL PUBLIC TELECOMMUNICATIONS OPERATOR LICENCES

1. During the period beginning on 22 June 1984 and ending on 28 January 2002, the Secretary of State granted licences under section 7 of the Telecommunications Act 1984 (the "Act") to particular persons which the Secretary of State has designated by order under section 9 of the Act as having public telecommunications systems, collectively referred to hereinafter as the "PTO licences".

2. On 23 April 2002, the Director General of Telecommunications (the "Director"), in exercise of the powers conferred on him by section 12 of the Act, made modifications to Condition 15 and its equivalent in Schedule 1 of the PTO licences. The modification condition is set out in the attached annex to this Notice.

3. In part the modification implements the Customer Interface publication requirements set out in Article 11(2) of the Revised Voice Telephony Directive—RVT D (98/10/EC) and Article 4(2) of the Radio Equipment and Telecommunications Terminal Equipment Directive—R&TTE (99/5/EC). But the Director hereby gives notice that his reason for making the modification was deregulatory and in line with Oftel's long-term strategy of ensuring that regulation is kept to the minimum necessary to obtain the appropriate outcome.

4. The modification is considered to be deregulatory for the following reasons:

The proposed modifications will reduce the burden on Operators by placing into the Licence a general authorisation that will allow Operators to act immediately under Condition 15 or its equivalent as circumstances dictate.

The proposed amendments will benefit suppliers and customers by shortening the gap between the development of new services and equipment and the ability of their providers to make them publicly available.

The modification will not unduly disadvantage any person holding a licence granted under section 7 of the Act or a particular person as the proposed modification will apply to all licence holders which have been designated under section 9 of the Act as having telecommunication systems.

The modifications are considered to be deregulatory because current requirements require the Operators to obtain prior authorisation on a case by case basis before acting to prevent harm being caused to the network.

At the same time the protection extended to the users of such apparatus is maintained by requiring that both the Director General of Oftel and the Secretary of State are notified as soon as practicable where a refusal to connect, a disconnection or a withdrawal of service has taken place.

ANNEX

Condition 15 or its equivalent shall read as follows:
