### **THE KENSINGTON AND CHELSEA (PARKING PLACES) (RESIDENTS' PARKING) (AMENDMENT NO ) ORDER 2002**

#### **CHANGES TO THE RESIDENTS' PARKING SCHEME— EVIDENCE TO BE PRODUCED**

Notice is hereby given that the Council of the Royal Borough of Kensington and Chelsea propose to make the above Order, the general effect of which would be to require all applicants for a residents' parking permit to produce a valid original Driving Licence in the applicants name, and additionally, where the application is for a privately owned vehicle, to produce a valid original Vehicle Registration Document showing the address in The Royal Borough at which the applicant resides. These requirements will apply for all new and any subsequent applications for a permit. In the event of the vehicle being newly acquired by the applicant, the Council may at their discretion, accept alternative documentary evidence for the short term.

The general definition of a privately owned vehicle is a passenger vehicle, goods carrying vehicle, invalid carriage or solo motor-cycle, which is not leased, hired, borrowed, registered to a third party, registered abroad or owned by a legally qualified medical practitioner whose usual place of abode is not in any street or part of a street in the Royal Borough of Kensington and Chelsea, excluding those streets which are not within the controlled parking zone.

The above proposals are designed to minimise the opportunity for fraudulent applications and therefore maximise the number of spaces available for genuine residents.

Copies of the proposed Order and of all other relevant documents can be inspected during normal office hours on Mondays to Fridays inclusive until the expiration of a period of 21 days from the date on which this notice is published in the Traffic Section, Room 317, The Town Hall, Hornton Street, London W8 7NX.
