Halton Borough Council

HALTON UNITARY DEVELOPMENT PLAN 2ND DEPOSIT VERSION REPRESENTATIONS

This advertisement is directed to all those who made representations to the second deposit version of the Unitary Development Plan ("UDP") via the form on the Council's website.

Halton Borough Council published the second deposit version of their draft UDP on 31 January 2002, for a 6 week period of public consultation ending on 14 March 2002. A form was posted on the Council's website for representations to be sent directly to the Council by e-mail. This was in addition to the paper forms that were made available for people to submit their representations by conventional means. The Council has reason to believe that due to technical problems this electronic facility was not completely reliable during part of this period.

If you did not receive an acknowledgement of receipt, this may be because of a technical failure, which prevented your e-mail representation form being delivered successfully to the Council.

You now have another opportunity to submit your representation by letter to the Council. This must state what change in the second deposit version of the UDP you wish to comment on and the reasons for your comment. This must be received by 4.00 pm on Friday 9 August 2002, at the address shown below. Representations received after this date will not be accepted.

IMPORTANT NOTE: This notice only applies to those who used the Council's website to send their representation and who did not receive an acknowledgement. Representations from others who sent in paper forms or letters and have been sent an acknowledgement will not be accepted.

If you believe that the above situation applies to you, send a copy of your representation to:

C W Brough, Operational Director—Planning, Environment and Development Directorate, Halton Borough Council Grosvenor House, Halton Lea, Runcorn, Cheshire WA7 2GW.

Replies must be received by 4.00 pm on Friday 9 August 2002, at the above address. (822)

WATER RESOURCES ACT 1991

ELY OUSE-ESSEX WATER ACT 1968

WATER RESOURCES (LICENCES) REGULATIONS 1965

NOTICE OF PROPOSAL FOR VARIATION OF A LICENCE TO ABSTRACT WATER

The Environment Agency, in pursuance of section 52 of the Water Resources Act, has formulated a proposal to vary a licence under the Water Resources Acts and the Ely Ouse-Essex Water Act 1968 (the 1968 Act). The licence authorises the Agency to "take and divert" water from the Ely Ouse River at National Grid Ref TF 5894 0095, into the Cut-Off Channel, at Denver, Norfolk, subject to rates of flow as prescribed in the 1968 Act, for transfer and subsequent abstraction of water from the Cut Off Channel, in Hockwold cum Wilton, Norfolk, under Licence No 6/33/56/S/217, to augment water resources in Essex and Suffolk.

The proposal is contained in the form of a draft licence to abstract water which will operate for a period of 13 years in accordance with the common end date for expiry of licences in the area covered by the Ely Ouse including South Level CAMS (Catchment Abstraction Management Strategy). On expiry of the variation, or early termination, the provisions stated in the Ely Ouse-Essex Water Act 1968 will apply. The change set out below will allow more freshwater to be discharge to the tidal Great Ouse estuary at Denver, thereby helping to minimise both salinity and siltation.

The change proposed for the duration of the variation is as follows:

To add an additional point of discharge of the prescribed flow (Licence No 6/33/51/S/2).

Existing point of discharge	Proposed points of discharge
Residual flow sluice and channel at	Residual flow sluice and channel
National Grid Ref TF 5898 0103	at National Grid Ref TF 5898
	0103 and one or more of the
	gates at the Denver Sluice at
	National Grid Ref TF 5878 0100

If the prescribed flow is discharged through the Denver Sluice, it will be made during each period of 24 hours with the average discharge over any seven day period equal to or greater than the prescribed flow.

The proposal is, in effect, to re-instate part of an existing variation which was issued in November 1997 for a period of 5 years. All other provisions are to remain as stated in the Ely Ouse-Essex Water Act 1968.

A copy of the proposals and any maps, plans and other documents prepared in connection with them may be inspected, free of charge, during the period beginning on 20 July 2002 and ending on 7 August 2002, at the following locations:

Environment Agency, 116 Wisbech Road, Kings Lynn, Norfolk PE30 5LJ, between the following hours, Monday to Thursday 9.00 am to 5.00 pm, Friday 9.00 am to 4.30 pm; and
Environment Agency, The Denver Complex, Sluice Road, Denver, Downham Market PE38 0EG, between the following hours, Saturday to Thursday 9.00 am to 5.30 pm (not open Fridays).

Any person who wishes to make representations about this proposal should do so in writing to the Regional Director at the address below, before the end of the period. Copies of all representations received will be forwarded to the Secretary of State for the Environment, Food and Rural Affairs.

After the expiry of the period the Environment Agency will be entitled to pass a resolution by virtue of which the variations to the licence to

abstract water shall be deemed to be granted unless the Secretary of State for the Environment, Food and Rural Affairs either in consequence of any representations made with respect to these proposals, or otherwise, requires the application for the licence variation to be made to her.
